**Investment Objectives : JM Equity Fund** (an open-ended growth scheme), To provide optimum capital growth and appreciation. **JM Basic Fund** (an open-ended equity oriented growth scheme), The primary objective of the Scheme will be to provide capital appreciation to its Unitholders through judicious deployment of the corpus of the Scheme in sectors categorized under "basic industry" in the normal parlance and in context of the Indian economy, including but not limited to, energy, petrochemicals, oil & gas, power generation & distribution and electrical equipment suppliers, metals and building material. The fund would continue to remain open-ended with a sector focus. **JM Emerging Leaders Fund** (an open-ended equity oriented growth scheme), The primary investment objective of the scheme is to seek long term capital appreciation from investment in a portfolio of stocks across all market capitalization range. The portfolio may include those companies operating in emerging sectors of the economy or companies which exhibit potential to become leaders of tomorrow. However, there can be no assurances that the investment objective will be achieved. **JM Small & Mid-Cap Fund** (an open ended equity oriented fund) The investment objective of the Scheme is to provide capital appreciation by primarily investing in small cap and mid-cap stocks. Small cap stock is defined as any company which has a market capitalization less than 10% of the market capitalization of the last stock in S&P CNX NIFTY. Mid-cap stock is defined as any company which has a market capitalization less than the market capitalization of the last stock in S&P CNX NIFTY but greater than 10% of the market capitalization of the last stock in S&P CNX NIFTY. **JM HI FI Fund** (JM Housing, Infrastructure & Financial Services Fund) (an open ended equity oriented growth fund), To generate medium to long term capital growth from a portfolio that is substantially constituted of equity & equity related securities of companies which could benefit from the structural changes brought about by the continuing liberalization in economic policies and investments by the Government in the housing, infrastructure and financial services sectors. **JM Auto Sector Fund** (an open-ended sector fund), To provide capital appreciation to its unitholders through judicious deployment of the corpus of the scheme in the auto & auto ancillary sector. **JM Healthcare Sector Fund** (an open-ended sector fund), To provide capital appreciation to its unitholders through judicious deployment of the corpus of the scheme in the healthcare sector. **JM Telecom Sector Fund** (an open-ended equity oriented sector fund), The primary investment objective of the scheme is to invest predominantly in equity & equity related instruments in the Telecom Sectors in India. Accordingly the NAV of the Scheme is linked to the equity performance of such companies. However, there can be no assurance that the investment objectives of the scheme will be realised. The scheme does not guarantee / indicate any returns. **JM Financial Services Sector Fund** (an open-ended equity oriented sector fund), The primary investment objective of the scheme is to invest predominantly in equity & equity related instruments in the Banking / Financial institution / NBFC and housing finance sectors in India. Accordingly the NAV of the Scheme is linked to the equity performance of such companies. However, there can be no assurance that the investment objectives of the scheme will be realised. The scheme does not guarantee / indicate any returns. **JM Balanced Fund** (an open-ended balanced scheme), To provide steady current income as well as long term growth of Capital. **JM MIP Fund** (an open-ended monthly income fund with no assured return. Monthly Income is not assured and is subject to the availability of the distributable surplus), To generate regular income, primarily through investments in fixed income securities so as to make monthly, quarterly and annual dividend distribution, declare bonus in the growth option. The Fund would also aim to achieve capital appreciation through investing a portion of its assets in equity and equity related securities. **JM Arbitrage Advantage Fund** (an open-ended equity oriented interval fund), The primary investment objective of the scheme is to generate income through arbitrage opportunities emerging out of mis-pricing between the cash market and the derivatives market and through deployment of surplus cash in fixed income instruments. **JM Equity & Derivative Fund** (an income scheme - interval fund), The primary investment objective of the scheme is to generate income through arbitrage opportunities emerging out of mis-pricing between the cash market and the derivatives market and through deployment of surplus cash in fixed income instruments. However, there can be no assurance that the investment objective of the scheme will be realized. The scheme does not guarantee/indicate any returns. **JM Contra Fund** (an open ended equity oriented fund) The investment objective of the Scheme is to provide capital appreciation by following contrarian style of investing that refers to buying into fundamentally sound stocks that have been overlooked by the market (for reasons of short term trend) and waiting for the market to give these stocks their real value in course of time. **JM High Liquidity Fund** (an open-ended liquid scheme), To provide income by way of dividend (dividend plans) and capital gains (growth plan) through investing in debt and money market instruments. **JM Money Manager Fund** (an open-ended income scheme), An open-ended liquid scheme which seeks to provide income by way of dividend (dividend option) and capital gains (growth option) through investing in debt and money market instruments. **JM Liquid Plus Fund** (an open-ended income scheme) (formerly known as JM Floater Fund - Long Term Plan) To provide regular income and capital appreciation through investment in floating rate debt instruments, fixed rate debt instruments swapped for floating rate returns and also fixed rate instruments and money market instruments. **JM Floater Fund** (an open-ended liquid scheme), To provide regular income and capital appreciation through investment in floating rate debt instruments, fixed rate debt instruments swapped for floating rate returns and also fixed rate instruments and money market instruments. **JM Short Term Fund** (an open-ended income scheme), To generate regular returns and high level of liquidity with low risk strategy and capital appreciation / accretion through investment in debt instruments and related securities besides preservation of capital. **JM Income Fund** (an open-ended income scheme), To generate stable long term returns with low risk strategy and capital appreciation / accretion through investment in debt instruments and related securities besides preservation of capital. **JM G-Sec Fund** (an open-ended dedicated gilts scheme), To provide ultimate level of safety to its unitholders through investments in sovereign securities issued by the Central and State Government. **JM Tax Gain Fund** (an open ended equity linked savings scheme), The investment objective is to generate long-term capital growth from a diversified and actively managed portfolio of equity and equity related securities and to enable investors a deduction from total income, as permitted under the Income Tax Act, 1961 from time to time.
