## HIGHLIGHTS/SUMMARY OF THE SCHEME

### A) INVESTMENT OBJECTIVE

Name of the Scheme	Investment Objectives of the schemes
JM Arbitrage Advantage Fund	To generate income through arbitrage opportunities emerging out of mis-pricing between the cash market and the derivatives market and through deployment of surplus cash in fixed income instruments.
JM Balanced Fund	To provide steady current income as well as long term growth of capital.
JM Basic Fund	To provide capital appreciation to its Unit holders through judicious deployment of the corpus of the scheme in sectors categorized under “basic industry” in the normal parlance and in context of the Indian economy, including but not limited to, energy, petrochemicals, oil & gas, power generation & distribution and electrical equipment suppliers, metals and building materials. The fund would continue to remain open-ended with a sector focus.
JM Core 11 Fund (Earlier known as JM Core 11 Fund – Series 1)	To provide long-term growth by investing predominantly in a concentrated portfolio of equity / equity related instruments.
JM Equity Fund	To provide Optimum Capital growth and appreciation.
JM Multi Strategy Fund	The investment objective of the Scheme is to provide capital appreciation by investing in equity and equity related securities using a combination of strategies.
JM Tax Gain Fund	The investment objective is to generate long-term capital growth from a diversified and actively managed portfolio of equity and equity related securities and to enable investors a deduction from total income, as permitted under the Income Tax Act, 1961 from time to time.

While the above table gives the investment objectives of the schemes, investors are required to read all the scheme related information set out in this document carefully and also note that there can be no assurance that the investment objectives of any of the schemes will be realized. The schemes do not guarantee/ indicate any returns.

### B) INTRODUCTION OF DIRECT PLAN

In accordance with Para D titled “Separate Option for direct investments” under Circular No. CIR/IMD/DF/21/2012 dated September 13, 2012 issued by Securities and Exchange Board of India (SEBI), JM Financial Trustee Company Private Limited, (the “Trustee” to the Mutual Fund), decided to introduce a separate plan for direct investments (i.e. investments not routed through an AMFI Registration Number (ARN) Holder (“Distributor”) (hereinafter referred to as “Direct Plan”) with effect from January 1, 2013 (the “Effective Date”) as under:

- 1. Introduction of Direct Plan:** Direct Plan is only for investors who purchase/subscribe units in a Scheme directly with the Mutual Fund and is not available for investors who route their investments through a Distributor.

**Scheme eligibility:** The Mutual Fund shall introduce Direct Plan in all the open-ended schemes of the Mutual Fund (hereinafter referred as “Schemes”) except in the plans discontinued for further subscriptions.
- 2. Plans / Options / Sub-options:** All Plans / Options / Sub-Options being offered under the Schemes (“Normal Plan”) will also be available for subscription under the Direct Plan. Thus, from the Effective Date, there shall be 2 Plans available for subscription under the Schemes viz., Normal Plan and Direct Plan. Portfolio of the Scheme under the Normal Plan and Direct Plan will be common.

The provisions pertaining to Minimum Subscription Criteria, Load and Additional Purchases will be applicable at Scheme (Portfolio) Level.
- 3. Scheme characteristics:** Scheme characteristics such as Investment Objective, Asset Allocation Pattern, Investment Strategy, risk factors, facilities offered and terms and conditions including load structure will be the same for the Normal Plan and the Direct Plan, except that:

No exit load shall be charged for any switch of investments between Normal Plan (whether the investments were made before or after the Effective Date) and Direct Plan within the same scheme. The applicable exit load, if any, will be charged for redemptions/ switch outs of the scheme (i.e. at portfolio level) before the completion of the stipulated load/ lock-in period. The stipulated load/ lock-in period will be reckoned from the date of allotment of units for a particular transaction in the scheme (i.e. at portfolio level) till the date of redemption / switch out from that scheme, irrespective of the number of intra-scheme switches by the investor between the aforementioned two dates (e.g. switches between plans/sub-plans/options/sub-options within the scheme having the same portfolio)

The extant provisions of applicability of load on redemptions/ switches from one Scheme to another will continue to be applicable.

Direct Plan shall have a lower expense ratio excluding distribution expenses, commission, etc and no commission for distribution of Units will be paid / charged under Direct Plan.
- 4. Applicable NAV and allotment of units:**

The provisions of applicability of NAV and allotment of units in case of Direct Plan will be as are currently applicable for the Normal Plan.
- 5. Eligible investors / modes for applying:** All categories of investors (whether existing or new Unitholders), as permitted under the SID of

the Schemes, are eligible to subscribe under Direct Plan. Investments under Direct Plan can be made through various modes offered by the Mutual Fund for investing directly with the Mutual Fund {except Stock Exchange Platform(s) and all other Platform(s) where investors' applications for subscription of units are routed through Distributors}.

6. How to apply:

- a. Investors subscribing under Direct Plan of a Scheme will have to indicate "Direct Plan" against the Scheme name in the application form/ transaction slip e.g. "JM Equity Fund (Direct)".
- b. Investors may also indicate "Direct" in the ARN column of the application form/ transaction slip. However, in case Distributor/ Sub-broker code is mentioned in the application form, but "Direct Plan" is indicated against the Scheme name or in any other place or in any manner whatsoever in the Application Form/ transaction slip, the Distributor/ Sub-broker code will be ignored and the application will be processed under Direct Plan.
- c. Further, where application is received for Normal Plan without Distributor code or "Direct" is mentioned in the ARN Column, the application will be processed under the Direct Plan.

7. Existing Investments:

- (a) Investors wishing to transfer their accumulated unit balance held under Normal Plan (through lumpsum / systematic investments made with or without Distributor code) to Direct Plan will have to switch /redeem their investments (subject to applicable Exit Load, if any) and apply under Direct Plan.
- (b) Investors who have invested without Distributor code and have opted for Dividend Reinvestment facility under Normal Plan may note that the dividend will continue to be reinvested in the Normal Plan only.

8. Investments through systematic routes:

- (a) In case of Systematic Investment Plan ("SIP") / Systematic Transfer Plan ("STP") etc. registered prior to the Effective Date without any distributor code under the Normal Plan, installments falling on or after the Effective Date will automatically be processed under the Direct Plan only.
- (b) Investors who had registered for SIP facility prior to the Effective Date with distributor code shall continue under the Normal Plan. However if the investor wishes that their future installments be invested into the Direct Plan, he shall make a written request to the Mutual Fund in this behalf. The Mutual Fund will take at least 15 Business days to process such requests. Intervening installments will continue in the Normal Plan.  
In case of (a) and (b) above, the terms and conditions of the existing registered enrolment such as tenure , amount of the SIP etc. shall continue to apply.
- (c) In case of Systematic Transfer Facilities which were registered with a Distributor Code under the Normal Plan prior to the Effective Date, the future installments under the said Facilities shall continue as under the Normal Plan  
In case such investors wish to invest under the Direct Plan through these facilities, they would have to cancel their existing enrolments and register afresh for such facilities.

9. Redemption requests: Where Units under a Scheme are held under both Normal and Direct Plans and the redemption / Switch request pertains to the Direct Plan, the same must clearly be mentioned on the request (along with the folio number).

In the event of the investor not clearly mentioning the name of the Plan (Normal or Direct)/ Option/ Sub-option/or wherever there is an ambiguity in choice of Plan (Normal or Direct)/ Option/ Sub-option opted for in the request for redemption/switch-out of all/specified amount/units, in the absence of clarificatory letter from the investor on the day of the transaction, the AMC/ Registrar reserves the right to process the redemption/switch out request from the Normal Plan or Direct Plan if such redemption request can be processed in totality. In such case, the redemption will first be effected from the Normal Plan.

E.g. If an investor has investment of Rs. 5 lakh in an Normal Plan and Rs. 10 lakh in the Direct Plan and a redemption request is received from him for redemption of Rs. 2 lakh without indicating which Plan the redemption is to be effected from, the AMC/ Registrar will effect the redemption from the Normal Plan. In the same example, if the redemption request was for Rs. 7 lakh, the redemption would be effected from the Direct Plan.

However, in case it is not possible to effect the redemption from any one of the Plans in totality i.e. either from the Normal or from the Direct Plan, such redemption request will be treated as void ab-initio and rejected.

E.g. If the redemption request in the above example is for Rs. 12 lakh, the AMC / Registrar will summarily reject the redemption request. Where units are held under any one i.e. under Normal or Direct Plan, the redemption will be processed from such Plan.

10. Tax consequences: Switch / redemption may entail tax consequences. Investors should consult their professional tax advisor before initiating such requests.

**Treatment of applications under "Direct"/"Normal" Plan:**

Scenario	Broker Code mentioned by the investor	Plan mentioned by the investor	Default Plan to be captured
1	Not mentioned	Not mentioned	Direct Plan
2	Not mentioned	Direct	Direct Plan

Scenario	Broker Code mentioned by the investor	Plan mentioned by the investor	Default Plan to be captured
3	Not mentioned	Normal	Direct Plan
4	Mentioned	Direct	Direct Plan
5	Direct	Not mentioned	Direct Plan
6	Direct	Normal	Direct Plan
7	Mentioned	Normal	Normal Plan
8	Mentioned	Not Mentioned	Normal Plan

In cases of wrong/ invalid/ incomplete ARN codes mentioned on the application form, the application shall be processed under Normal Plan. The AMC shall contact and obtain the correct ARN code within 30 calendar days of the receipt of the application form from the investor/ distributor. In case, the correct code is not received within 30 calendar days, the AMC shall reprocess the transaction under Direct Plan from the date of application without any exit load.

### C) Exchange Platforms:

SEBI vide its Circular No. SEBI/IMD/CIR No. 11/183204/2209 dated November 13, 2009 had facilitated transactions in Mutual Fund schemes through the stock exchanges infrastructure. Also, vide Circular No. CIR/IMD/DF/17/2010 dated November 09, 2010, SEBI had permitted routing of Mutual Fund transactions through the clearing members of the registered stock exchanges and Depository Participants of registered Depositories. In view of this and in order to increase the network and enhance the level of service to the investors of JM Financial Mutual Fund, the Boards of JM Financial Asset Management Limited (the "AMC") and JM Financial Trustee Company Private Limited (the "Trustees") decided to offer an alternate platform to facilitate purchase (subscription) and redemption (repurchase) of units of all the eligible schemes of the Mutual Fund. This facility is offered in terms of the aforesaid SEBI circular and the guidelines issued by National Stock Exchange of India Ltd. (NSE) and BSE Ltd. (BSE) in this regard.

#### Following are the exchange platforms through which investors can subscribe/redeem the units of certain schemes:

- Mutual Fund Service System (MFSS) introduced by NSE.
- BSE Stock Exchange Platform (BSE StAR MF) introduced by BSE.

#### Features of the MFSS introduced by NSE:

- MFSS is an online order collection system provided by NSE to its eligible members for placing subscription or redemption orders on the MFSS, based on orders received from the investors.
- MFSS has been designed to provide a confirmation slip of the order(s) entered, which would be deemed to be the time of receipt of application for the purpose of determining the applicability of NAV.
- MFSS facility shall be subject to such operating guidelines as may be issued by NSE from time to time.

#### Features of the BSE StAR MF introduced by BSE:

- The trading member of BSE can facilitate investors to subscribe and redeem the mutual fund units using their existing network and order collection mechanism provided by BSE.
- The transactions carried out on the BSE platform shall be subject to such guidelines as may be issued by BSE and also SEBI (Mutual Funds) Regulations, 1996 and circulars/guidelines issued thereunder from time to time.
  - Basic points to be noted by the investors:

#### i) Who can avail of this facility and is it available for all modes/options of investment?:

- This facility is available for purchase (subscription) and redemption (repurchase) of units of the eligible schemes to the existing and new investors. The list of schemes is subject to change from time to time.
- This facility is available only to Corporate investors, individuals, HUF and Minors acting through a guardian, who are Resident in India.
- This facility is not available to Societies/Trusts/Overseas Corporate Bodies (OCBs)/Partnership Firms, etc.
- Dividend – Reinvestment sub-option shall not be available to investors for transacting through stock exchange in demat form.
- This facility is not available for switching of units or facilities like SWP/STP.
- Currently, this facility can be availed only for the purpose of redemption, in case of Direct Plans. As and when permitted by the Exchanges, this facility may also be available for purchase (subscription).

#### ii) Whom should the investor approach for transacting in units of the eligible schemes of the Mutual Fund?:

The investor has to approach a trading member of NSE and BSE who are registered with Association of Mutual Funds in India (AMFI) as Mutual Fund Advisors and who are empanelled as a distributor with the AMC and also registered with NSE and BSE as Participants ("AMFI certified stock exchange brokers") for MFSS and BSE StAR Platform.

#### Option for holding the units:

- Units shall be allotted in physical form or dematerialised form as per the request of the investor.

- Investors have an option to hold the units in physical or dematerialized form.
- International Security Identification Number (ISIN) in respect of each plans/options of the schemes have been created and admitted in the National Securities Depository Ltd. (“NSDL”) and Central Depository Services (India) Ltd. (“CDSL”).

Investors will have to comply with Know Your Customer (KYC) norms as prescribed by BSE/NSE/ CDSL/ NSDL and the Mutual Fund to participate in this facility.

The Mutual Fund will not be in a position to accept any request for transactions or service requests in respect of units bought under this facility in demat mode.

In case of availing this facility for the New Fund Offers (NFOs), the units will be allotted directly to the investors by the Registrar and Transfer Agent (RTA). Also, NFO refunds will be made directly to the bank account of the investors by the RTA.

Investors should get in touch with Investor Service Centres (ISCs) of the Mutual Fund for further details.

For any complaints or grievances against the Eligible Stock Broker with respect to the transactions done through the stock exchange infrastructure, the investor should contact either the concerned Eligible Stock Broker or the investor grievance cell of the respective stock exchange.

The Trustee of the Mutual Fund reserves the right to change/modify the features of this facility or discontinue this facility at a later date.

#### **FACILITATING TRANSACTIONS IN THE SCHEMES OF THE FUND THROUGH STOCK EXCHANGE MECHANISM:**

SEBI vide its Circular Nos. CIR/MRD/DSA/32/2013 dated October 4, 2013 and CIR/MRD/DSA/33/2014 dated December 9, 2014, has permitted Mutual Fund Distributors (MF Distributors) to use National Stock Exchange (NSE) and Bombay Stock Exchange (BSE), recognized stock exchange infrastructure for transacting units directly from Mutual Fund/Asset Management Companies on behalf of their clients.

Pursuant to the above, the following guidelines shall be applicable for transactions executed in the open ended schemes of the Fund through MF Distributors via the Stock Exchange Mechanism offered by BSE:

1. MF Distributor registered with Association of Mutual Funds in India (AMFI) and who has been permitted by Bombay Stock Exchange (“the Exchange”), will be eligible to use “BSE StAR MF” platform to purchase/redeem/switch units of the eligible schemes, on behalf of their clients, directly from the Fund through online - non-demat mode and/or demat mode. The BSE platform is currently also available for Systematic Investment Plans (SIPs). The platform will accept Systematic Transfer Plan (STP) and Systematic Withdrawal Plan (SWP) as and when it is started by BSE.
2. MF distributors shall not handle pay - out/pay - in of funds as well as units on behalf of the investor/ AMC. ‘Pay - in’ will be directly received from the investor’s account by Indian Clearing Corporation Limited (ICCL) of BSE, in its name through any of the payment modes i.e. Cheque/Demand Draft (DD), RTGS/NEFT, Netbanking, OTM (One Time ACH Debit Mandate) or any other mode of authorized Banking Channels. The ‘Pay - out’ will be directly made to the investor by the Registrar/AMC, for nondemat mode. For demat mode, the pay-out for redemption will be directly made to the ICCL.
3. **i. Purchase of units in Demat mode:** In case of purchase in demat mode, the units will be credited into the ICCL account for onward transfer to the investor’s account.  
**ii. Purchase of units in Non – Demat Mode:** In case of non-demat mode, the Registrar will intimate the allotment details to the investor directly by emailing/issuing the physical statement of accounts or through the monthly Consolidated Account Statement (CAS).  
**iii. Redemption of units in Demat mode:** In case of redemption in demat mode, the investor has to approach his/her/their MF Distributor / Depository Participant (DP) registered with BSE platform and submit the Redemption Request Form (RRF) / Delivery Instruction Slip (DIS). The DP in turn will intimate the Exchange and the exchange shall intimate the RTA for further processing of the redemption request.  
**iv. Redemption of units in Non - Demat mode:** In case of non-demat mode, the redemption order will be placed on BSE platform and BSE shall communicate the same to the RTA for redemption proceeds.
4. Switch transaction requests can be placed for units which are held in demat as well as in non-demat mode.
5. In case of payment of redemption proceeds by the Fund/its Registrar to ICCL, the same shall be treated as valid discharge for the Fund/JM Financial Asset Management Limited (“JMF AMC”) of its obligation of payment of redemption proceeds to the investor. For purchase of units in demat mode, crediting units into the Clearing Corporation’s account shall discharge the Fund/JMF AMC of its obligation to allot units to the investor.
6. In case of Dividend Payout/Reinvestment of units for demat and non-demat cases, the RTA shall process the same and remit/credit directly into the investor’s/beneficiary’s accounts.
7. The investors are requested to note that the allotment of NAV will be based on the time stamping of transaction and receipt of Funds into the account of the respective schemes of the AMC from the Clearing Corporation within the overall guidelines of SEBI on the matter. Payment to the Clearing Corporation will not entitle the investor for the NAV until the same is transferred into the AMC’s scheme account by the ICCL, before the cut – off time, if the amount of each transaction is Rs. 2 lac or more per investor, per scheme, per Business Day, including all purchase cases of Liquid Fund irrespective of the amount. The redemption request shall be accepted by the Exchange upto the cutoff time i.e. 3 p.m. only, failing which the request shall be rejected/processed with the NAV applicable for the

next permissible day.

8. The Exchange shall act as the Point of Acceptance only for the purpose of time – stamping of the transaction and reporting thereof but not for collection of funds from the investor and transfer to the AMC.
9. The Mutual Fund Distributors are permitted to handle the transactions of only their clients, through the above platform.
10. The facility of transacting in the Fund's schemes through BSE StAR MF Platform is available through the BSE, subject to such operating guidelines, terms and conditions as may be prescribed by BSE/ SEBI and JMF AMC from time to time.

For transacting units on the BSE platform, the registration of the mobile no. and/or email id of the investor is compulsory.

Currently, BSE does not provide the facility for non-financial transactions. However, BSE is hereby authorised to accept the same as and when they start this facility.

All the authorised offices of BSE and BSE StAR MF platform shall be considered as the Official Point of Acceptance (OPA) of the Mutual Fund in accordance with SEBI Circular No. SEBI/IMD/CIR No.11/78450/06 dated October 11, 2006 and conditions stipulated in SEBI Circular dated November 13, 2009.

#### D) LIQUIDITY

All Schemes will offer units for sale and repurchase at NAV based prices on all business days.

##### JM Tax Gain Fund :

- i) Purchase of units will be on all Business Days
- ii) Redemption of units

Units under the Scheme can be redeemed on every Business Day at the Redemption Price after a lock-in period of three years from the date of allotment. Repurchase facility will be available to the Unitholders subject to the completion of the lock-in period.

Lock-in period – The Scheme is open for continuous redemption subject to the completion of a lock-in period of 3 years from the date of allotment of units, as prescribed in the ELSS Guidelines. It may, however, be noted that, in the event of the death of the Unit Holder, the nominee or legal heir, (subject to production of requisite documentary evidence to the satisfaction of the AMC) as the case may be, shall be able to redeem the investment only after the completion of one year, or any time thereafter, from the date of allotment of units to the deceased Unit Holder.

The Trustee reserves the right to change the lock-in period prospectively from time to time, in the event of amendment(s) in the ELSS Guidelines with respect to the lock-in period.

#### E) BENCHMARK

The performance of the Schemes will be benchmarked as follows

Scheme	Index
JM ARBITRAGE ADVANTAGE FUND	CRISIL LIQUID FUND INDEX
JM BALANCED FUND	CRISIL BALANCED FUND INDEX
JM BASIC FUND	BSE 200 INDEX
JM CORE 11 FUND	BSE SENSEX
JM EQUITY FUND	BSE SENSEX
JM MULTI STRATEGY FUND	BSE 500
JM TAX GAIN FUND	BSE 500

In terms of SEBI Circular No. MFD/CIR/01/ 071/02 dated 15th April 2002 the AMC and Trustees may change the Benchmark Index or select an additional Benchmark Index after recording adequate justification for carrying out such change. However, change of Benchmark Index and/or selecting additional Benchmarks Index would be done in complete compliance of the relevant guidelines of SEBI in this regard. Further, in terms of SEBI Circular No. MFD/CIR/1 6/400/02 dated 26th March 2002; the performance of the Schemes will be benchmarked and reviewed at the meetings of the Board of the AMC/Trustees.

#### F) TRANSPARENCY/NAV DISCLOSURE

NAVs will be determined at the close of every business day and disclosed on the websites of the Mutual Fund/ AMFI. Schemes will disclose details of its portfolio on a half yearly basis. As presently required under the Regulations, a complete statement of the Scheme's portfolio will be published by the Mutual Fund as an advertisement in a newspaper within one month from the close of each half year (i.e. March 31st & September 30th) or mailed to the Unit holders.

#### G) LOAD STRUCTURE AND TRANSACTION CHARGES

Entry load is NIL for all the schemes.

In accordance with the requirements specified by the SEBI circular no. SEBI/IMD/CIR No.4/1 68230/09 dated June 30, 2009, no entry load will be charged for purchase / additional purchase / switch-in accepted by the Fund with effect from August 1, 2009. Similarly, no entry load will be charged with respect to applications for registrations under Systematic Investment Plan/ Systematic Transfer Plan /

accepted by the Fund with effect from August 1, 2009.

**The upfront commission on investment made by the investor, if any, shall be paid to the ARN Holder (AMFI registered Distributor) directly by the investor, based on the investor's assessment of various factors including service rendered by the ARN Holder.**

Pursuant to SEBI Circular No. Cir/ IMD/ DF/1 3/2011 dated August 22, 2011, JM Financial Asset Management Ltd. (the "AMC") shall deduct the transaction charges of Rs.100 / Rs.150 on purchase / subscription received through the distributor/ agent, who have opted to receive the transaction charges.

Pursuant to SEBI circular No. Cir/IMD/DF/21/2012 dated September 13, 2012, effective November 1, 2012 distributors shall also have the option to either opt in or opt out of levying transaction charges, based on type of the product.

**Exit Load/Contingent Deferred Sales Charge ("CDSC")**

With effect from August 1, 2009, exit load/ CDSC (if any) charged to the Unitholder by the Fund, up to 1% of the redemption value shall be retained by each of the Schemes in a separate account and will be utilized for payment of commissions to the ARN Holder and to meet other marketing and selling expenses. Any balance shall be credited to the Scheme.

**The current exit load structure is as below:**

Scheme Name	Exit Load	Lock-in periods*
All open ended equity schemes (except JM Arbitrage Advantage Fund and JM Tax Gain Fund)	1.00%	3 Months
JM Arbitrage Advantage Fund	0.50%	30 days
JM Tax Gain Fund	NIL	Refer Note 1

\*The exit load shown in the above table are applicable for allotment of units for investment made through fresh purchases/switch-in/ shift-in or through respective SIP/STP/SWP Instalments out of the fresh registration effected during the period when above exit load rates are applicable. The exit loads are subject to change at any time. Hence, all Investors are advised to check the current exit load from the nearest Investor Service Centers before investment.

**Note 1:** JM Tax Gain Fund falls in the ELSS category and is eligible for tax benefits under section 80C of Income Tax Act. There is a lock-in period of 3 years under the Scheme.

No exit load for inter and intra equity switches except in case of (i) switches by SIP/STP investors within 24 months (for cases registered from 4.1 .2008 up to 2.10.2008) and with in 12 months (for cases registered upto 3.1 .2008) of respective SIP/STP installments (ii) switches by STP investors (for cases registered w.e.f 3.10.2008) within 24 months of respective STP installments (iii) switches by SIP investors (for cases registered w.e.f 3.10.2008) within 12 months of respective SIP installments (iv) switches to/from JM Arbitrage Advantage Fund to any equity schemes.

The Repurchase Price however, will not be lower than 93% of the NAV, and the Sale Price will not be higher than 107% of the NAV, provided that the difference between the Repurchase price and Sale price at any point in time shall not exceed the permitted limit as prescribed by SEBI from time to time which is presently 7% calculated on the Sale Price.

It is clarified that applicable exit load, if any, will be charged for redemptions/ switch outs of the scheme (i.e. at portfolio level) before the completion of the stipulated load/lock-in period. The stipulated load/lock-in period will be reckoned from the date of allotment of units for a particular transaction in the scheme (i.e. at portfolio level) till the date of redemption/switch out from that scheme, irrespective of the number of intra-scheme switches by the investor between the aforementioned two dates (e.g switches between plans/sub-plans/options/sub-options within the scheme having the same portfolio). However, Government levies eg. STT (wherever applicable) will continue to be deducted for every intra-scheme switch-out /redemption transactions.

**In case of JM Tax Gain Fund**

As per the ELSS guidelines, in calculating the repurchase price, the Mutual Fund shall take into account the unrealised appreciation in the value of the investment of the funds of a plan to the extent they deem fit provided that it shall not be less than 50% of such unrealised appreciation. While calculating the repurchase price, the Mutual Fund may deduct such sums as are appropriate to meet management, selling and other expenses including realization of assets and such sums shall not exceed 5% p.a. of the average Net Asset Value of a plan. The Fund will adhere to such guidelines / notifications / circulars issued by SEBI / CBDT / any other regulatory authority in this regard.

**Load exemptions, if any:**

The AMC will not charge exit load for a Fund of Funds Scheme investing in the scheme.

**Bonus units and units allotted on reinvestment of dividend**

In accordance with SEBI Circular SEBI/IMD/CIR No. 14/120784/08 dated March 18,2008, the AMC shall not charge entry as well as exit load on Bonus units and on units allotted on reinvestment of Dividend.

**The investor is requested to check the prevailing load structure of the scheme on the website of the Mutual Fund before investing.**

### Load in case of Direct Plan:

No exit load shall be charged for any switch of investments between Normal Plan (whether the investments were made before or after the Effective Date) and Direct Plan within the same scheme. The applicable exit load, if any, will be charged for redemptions/ switch outs of the scheme (i.e. at portfolio level) before the completion of the stipulated load/ lock-in period. The stipulated load/ lock-in period will be reckoned from the date of allotment of units for a particular transaction in the scheme (i.e. at portfolio level) till the date of redemption / switch out from that scheme, irrespective of the number of intra-scheme switches by the investor between the aforementioned two dates (e.g. switches between plans/sub-plans/options/sub-options within the scheme having the same portfolio)

The extant provisions of applicability of load on redemptions/ switches from one Scheme to another will continue to be applicable.

### CHANGE IN LOAD STRUCTURE

The Trustee reserves the right to modify/alter the load structure and may decide to charge an exit load or a combination of exit loads (i.e. slabs of load based on tenure of holding) on the Units with prospective effect, subject to the maximum limits as prescribed under the SEBI Regulations. At the time of changing the load structure, the AMC shall take the following steps:

- The addendum detailing the changes shall be attached to Scheme Information Documents and Key Information Memoranda. The addendum will be circulated to all the distributors so that the same can be attached to all Scheme Information Documents and Key Information Memoranda already in stock. The addendum shall also be part of the newsletter sent to the Unitholders, immediately after the changes.
- Arrangements shall be made to display the changes/modifications in the Scheme Information Document in the form of a notice in all the JM ISCs' and distributors' offices.
- The introduction of the exit load alongwith the details shall be stamped in the acknowledgement slip issued to the investors on submission of the application form and may also be disclosed in the statement of accounts issued after the introduction of such load.
- The Fund shall arrange to display a notice in the JM ISCs at least 1 (one) day before the change of the then prevalent load structure.
- The AMC/ Fund will display the notice on its website.

### DEDUCTION OF TRANSACTION CHARGES FOR INVESTMENTS THROUGH DISTRIBUTORS/AGENTS:

Vide its Circular No. Cir/IMD/DF/13/2011 dated August 22, 2011, SEBI has permitted Asset Management Companies (AMCs) to deduct transaction charges per subscription of Rs. 10,000/- and above and the same be paid to the distributors of the Mutual Fund products.

In accordance with the said circular, the AMC shall deduct the Transaction Charges on purchase / subscription received from first time mutual fund investors and investor other than first time mutual fund investors through the distributor/ agent (who have opted to receive the transaction charges) as under:

Description	First Time Mutual Fund Investor (across Mutual Funds)	Investor other than First Time Mutual Fund Investor
Lump sum subscription of Rs. 10,000 and above	Transaction charges will be Rs. 150/-	Transaction charges will be Rs. 100/-
In case of investments through Systematic Investment Plan (SIP), if the total commitment (i.e. amount per SIP installment x No. of installments) amounts to Rs. 10,000/- or more.	Transaction charges will be Rs. 150/- or Rs. 100/- as may be applicable as mentioned above. The Transaction Charges shall be deducted in 4 equal installments, from the 2nd to the 5th installment.	

Investors may note that distributors have an option to opt in or opt out of charging the transaction charge. Pursuant to SEBI circular no. Cir/IMD/DF/21/2012 dated September 13, 2012, effective November 1, 2012 distributors shall also have the option to either opt in or opt out of levying transaction charges, based on type of the product.

Transaction charges shall not be deducted for:

- purchases /subscriptions for an amount less than Rs. 10,000/-;
- transaction other than purchases/ subscriptions relating to new inflows, such as Switch, Systematic Transfer Plan (STP), etc.
- purchases/ subscriptions made directly with the Fund (i.e. not through any distributor/agent).
- Transactions, wherein the concerned distributor has not opted-in for transaction charges.
- Transactions done through Stock Exchange platform.

It is also clarified that minimum investment criteria shall be monitored at the gross investment amount level (i.e. amount before deducting transaction charges).

### H) CHOICE OF INVESTMENT PLANS/OPTIONS:

The Schemes offer investors two options viz., Dividend option and Growth option

The Dividend option will offer investors the facilities of: (a) Dividend Payout, (b) Dividend Reinvestment

The options under the Scheme will have a common portfolio.

Minimum Investment Amount, Options and Sub-Options under the respective schemes and the Default options (in case an investor

fails to specify his preference) for each of the Schemes would be as under:

\$\$ No dividend under Dividend Plan shall be distributed in cash even for those unitholders who have opted for payout where such dividend on a single payout is less than Rs.100/-. Consequently, such dividend (less than Rs.100/-) shall be compulsorily re-invested.

\*The starting NAV for Monthly, Quarterly, Half yearly and Annual dividend options will be the NAV of the corresponding dividend option of the respective plans of the Scheme, on the day of first purchase in the respective options as per applicable SEBI guidelines on uniform cut-off timings for applicability of NAV. Thereafter, separate NAVs will be calculated and published for each of the said options. Under these options, the Trustees of the Mutual Fund reserve the right to declare monthly, quarterly, half yearly and annual dividend in the Scheme, subject to availability of distributable surplus.

#### \$ In case of JM Equity Fund:

The starting NAV for Monthly, Quarterly, Half yearly and Annual dividend options under JM Equity Fund stated above will be the NAV of the corresponding earliest dividend option of the respective scheme, on the day of first purchase in the respective options as per applicable SEBI guidelines on uniform cut-off timings for applicability of NAV. Thereafter, separate NAVs will be calculated and published for each of the said options.

Under these options, the Trustees of the Mutual Fund reserve the right to declare dividend in the respective dividend options of the Scheme, subject to availability of distributable surplus.

#In terms of AMFI Best Practice Guidelines Circular No. 58 dated May 19, 2015, the said Bonus Options have been discontinued. Accordingly, the Scheme shall have only Dividend Option and Growth Option. It has been deemed to discontinue fresh subscriptions through (fresh/additional/switches/STP/SIP) under the Bonus Options of the said scheme. The outstanding units of the existing unit holders under the Bonus Option shall be continued (without allowing any fresh subscription from the unitholder) till all the units, under the Bonus Option/Plan of the said Scheme have been redeemed and subsequently, Bonus Option/Plan shall be closed. Accordingly, the existing and fresh SIP transactions under the Bonus Options of the above Scheme have been discontinued.

The Trustees to JM Financial Mutual Fund reserves the right to change/modify the above provisions at a later date.

It is clarified that the minimum investment is applicable at the respective Options/ Sub-options level i.e. Growth, Dividend and will be considered after taking into account permissible DD charges.

**Default Option/ Sub-options:**

In case, an existing unit holder of a scheme makes an additional purchase in an existing folio held by him, where the scheme name is clearly mentioned but the name of the Plan/Option is not specified, the AMC may, at its discretion, allot units in the Plan/Option where he had made an investment in the past i.e. such Plan/Option of the Scheme will be treated as the Default Plan/Option, in the absence of specific instructions/ clarificatory letter from the unit holder, received on the date of the additional investment. Such investment would be subject to the load structure and lock-in of the respective default Plan/Option.

In case, the investor does not mention the name of the Plan/ Option/ Sub-option/or wherever there is an ambiguity in choice of Plan/ Option/ Sub-option opted for purchase/ switch application(s), the AMC/ Registrar may allot the units as per default Plans/ Options/ Sub-options, if no clarification letter is provided by the investor on the transaction date. However, in case of purchase application, the AMC/ Registrar at its discretion may allot the units based on the Plan/ Option/ Sub-option appearing on the respective payment instrument.

In case, there is complete ambiguity regarding the default Plans/ Options/ Sub-options, the application will be treated as invalid and will be summarily rejected.

In case, investor applies for dividend payout option, for the scheme which does not have dividend payout option, the application will be processed under dividend reinvestment option and investor will be allotted units accordingly.

**Default Option for all SIP/STP-Out/SWP**

In case, the Investor does not mention the end date under the SIP/STP-out/SWP, the 1st of the subsequent month, after completing 30 days from the date of registration, will be considered as the default SIP/STP-out/SWP start date and the SIP/STP-out/SWP will be treated to have been opted on Perpetual basis. However, the facility on Perpetual Basis will also be subject to the other applicable terms and conditions set out elsewhere in this document.

**Bonus Policy:**

- i) Under Bonus Option, the bonus units may be declared at the discretion of the Trustees, from time to time, based on the availability of distributable surplus, on the record date.
- ii) Bonus units will be issued by capitalizing net distributable surplus and the amount standing to the credit of the distributable reserves of the Bonus Option of the Scheme, as on the said record date.
- iii) In terms of SEBI Circular dated March 18, 2008, Bonus units shall not be subject to entry and exit load.

Investors are advised to consult their tax advisor to understand the tax implications for subscribing/redeeming in the units of Bonus Option of the aforesaid Schemes.

**Annual Bonus Option:**

Bonus units will be issued by capitalizing net distributable surplus and the amount standing to the credit of the distributable reserves of the Annual Bonus Option of the Scheme, as on the said record date.

However, the Schemes do not assure any targeted annual return/income nor any capitalization ratio.

The actual declaration of Bonus and ratio of Bonus Units and frequency thereof will, inter-alia, depend on availability of amount to the credit of reserves and /or availability of distributable surplus, calculated in accordance with SEBI (Mutual Funds) Regulations, 1996 and will be at the sole discretion of Trustees and the decision of Trustees shall be final in this regard.

**I) PURCHASE/ MINIMUM APPLICATION AMOUNT**

Minimum amount of Rs.5,000/- per Plan / Option and in multiples of any amount thereafter in case of first time investments. For ongoing investments in an existing folio the investment would be Rs. 1,000/- and in multiples of any amount thereafter. There is no upper limit for investment. However, for JM Tax Gain Fund the minimum application amount is Rs. 500/- and in multiples of Rs. 500.

The minimum investment is applicable at the respective Plans/Sub-plans/Options/ Sub-options level i.e. Growth, Dividend and will be considered after taking into account permissible DD charges.

In case of purchase transactions, where there is a mismatch in the amounts on the Transaction Slip / Application Form and the payment instrument / credit received, the AMC may at its discretion allot the units for the lesser of the two amounts and refund / utilize the excess, if any, for any other transaction submitted by the same investor, subject to the fulfillment of other regulatory requirements for the fresh transaction.

Pursuant to Association of Mutual Funds in India (AMFI) Best Practice Guidelines Circular No. 48/2014-15 dated June 24, 2014, the investors are hereby informed that in case of fresh/additional purchases, if the name of a particular Scheme on the application form/ transaction slip differs from the name on the Cheque/Demand Draft (payment instrument), then JM Financial Asset Management Limited (the "AMC") shall process the application and allot units at the applicable Net Asset Value of the scheme mentioned in the application form/transaction slip duly signed by the investor, given that the same constitutes a valid legal document between the investor and the AMC.

The AMC reserves the right to call for other additional documents as may be required, for processing such transactions. The AMC also reserves the right to reject such transactions.

The AMC, thereafter, shall not be responsible for any loss suffered by the investor due to the discrepancy in the scheme name mentioned in the application form/transaction slip and Cheque/Demand Draft.

## **J) REDEMPTION / MINIMUM REDEMPTION AMOUNT**

The Fund will endeavour to dispatch the redemption cheque / draft within 10 business days from the date of acceptance of valid redemption request.

Minimum redemption from existing Unit Accounts would be

- a) Rs. 500 and any amount there after OR
- b) 50 units or any number of units there after OR
- c) The entire investment in case the available balance is less than a) and b) above

In the event of remaining balance (for investment other than through SIP/STP/SWP) falling below the minimum balance of 500 units or Rs. 5000 (Which ever is less) except in case of JM Tax Gain Fund where it will be Rs. 500, while processing redemption/switch requests, the entire outstanding units may be redeemed/switched out.

A unitholder of the Scheme, may at any point in time, redeem his/ her full investment in the Scheme.

In case of difference/ ambiguity in the amount and units mentioned in any request for Redemption/ Switch, the minimum value (of units and amount) on rupee equivalent basis on the Transaction/ applicable NAV date will be considered by the AMC, provided the investor has not furnished any clarification in writing, duly signed on the date of transaction. In the event of investor not having filled in the Amount/ Units in the Transaction Slip, the AMC will redeem/ switch out all the outstanding units in case the Scheme, Plan, Option are clearly mentioned.

In case, an Investor fails to mention the complete name of the scheme upto plan/ sub- plan level while making request for redemption/ switch-out, the AMC reserves the right to redeem/ switch-out all/specified desired units/ value provided the investor is having holdings only in one scheme/plan/option and the folio number is clearly mentioned or if he maintains one folio. Otherwise, such incompletely filled requests would be summarily rejected without processing.

### **In case of Direct Plan**

Where Units under a Scheme are held under both Normal and Direct Plans and the redemption / Switch request pertains to the Direct Plan, the same must clearly be mentioned on the request (along with the folio number).

In the event of the investor not clearly mentioning the name of the Plan (Normal or Direct)/ Option/ Sub-option/or wherever there is an ambiguity in choice of Plan (Normal or Direct)/ Option/ Sub-option opted for in the request for redemption/switch-out of all/specified amount/units, in the absence of clarificatory letter from the investor on the day of the transaction, the AMC/ Registrar reserves the right to process the redemption/switch out request from the Normal Plan or Direct Plan if such redemption request can be processed in totality. In such case, the redemption will first be effected from the Normal Plan.

E.g. If an investor has investment of Rs. 5 lakh in an Normal Plan and Rs. 10 lakh in the Direct Plan and a redemption request is received from him for redemption of Rs. 2 lakh without indicating which Plan the redemption is to be effected from, the AMC/ Registrar will effect the redemption from the Normal Plan. In the same example, if the redemption request was for Rs. 7 lakh, the redemption would be effected from the Direct Plan.

However, in case it is not possible to effect the redemption from any one of the Plans in totality i.e. either from the Normal or from the Direct Plan, such redemption request will be treated as void ab-initio and rejected.

E.g. If the redemption request in the above example is for Rs. 12 lakh, the AMC / Registrar will summarily reject the redemption request.

Where units are held under any one i.e. under Normal or Direct Plan, the redemption will be processed from such Plan.

## **K) DIVIDEND**

The Fund does not guarantee or assure declaration of dividend. Although, the Fund may have the intention to declare dividend under the various dividend options, such declaration of dividend if any, is subject to the respective schemes performance, availability of distributable surplus and other considerations keeping in view the interest of the unitholders in the scheme, at the time of declaration of such dividend.

In case the Record Date falls on a non Business Day, the immediately following Business Day shall be the Record Date.

On payment of dividend and dividend distribution tax (if and as applicable), the NAV will stand reduced by the amount of dividend and dividend tax paid.

No dividend under Dividend Option shall be distributed in cash even for those unitholders who have opted for payout where such dividend on a single payout is less than Rs. 100/-. Consequently, such dividend (less than Rs. 100/-) shall be compulsorily re-invested except in schemes where Dividend Reinvestment option is not available e.g. JM Tax Gain Fund.

### **Exchange Platforms:**

If the sub - option of Dividend payout is chosen and the dividend amount is less than Rs. 100, then the dividend shall not be reinvested

but will be paid out to the respective investors.

**L) ADDITIONAL PLANS**

The Trustees may permit introduction of one or more plans that may be envisaged at a later date under any of the scheme in terms of SEBI circular MFD/CIR No.12/175/01 dated February 15, 2001 read with SEBI / IMD / CIR No 14 / 187175/ 2009 dated December 15, 2009 depending upon the market conditions prevailing at the time of launch of the plan(s) and taking into consideration the interests of the unitholders and subject to the SEBI regulations. Investors will be suitably informed by publishing a notice in a newspaper/addendum or through any other means as may be considered appropriate.

**M) TAX BENEFITS**

Tax benefits to the unitholders under section 112 of the Income Tax Act, 1961.

**N) EARNINGS OF THE FUND**

Earnings of the fund are totally exempt from income tax under Section 10(23D) of the I.T. Act.

**O) REPATRIATION FACILITY**

NRIs and FIIs may invest in the Scheme on a full repatriation basis as per RBI notification no. FEMA 20/2000 dated May 3, 2000.

The AMC may add to or otherwise amend either all or any of the terms of the Scheme, by duly complying with the guidelines of and notifications issued by SEBI/GOI/any other regulatory body that may be issued from time to time subject to the prior approval of SEBI, if required.

The SID shall be updated once every year. In case of change in fundamental attributes in terms of Regulation 18(15A), SID shall be revised and updated immediately after completion of duration of the exit option.

Till the time the SID is revised and reprinted, an addendum giving details of each of the changes shall be circulated to all the Investor Service Centre (ISC)/ distributors, so that the same can be attached to copies of SID already in stock.

**Indicative yield/ portfolio**

The Mutual Fund/ AMC and its empanelled brokers have not given and shall not give any indicative portfolio and indicative yield in any communication, in any manner whatsoever. Investors are advised not to rely on any communication regarding indicative yield/ portfolio with regard to the Scheme.

## I. INTRODUCTION

### A. RISK FACTORS

#### Standard Risk Factors:

- Investment in Mutual Fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal.
- As the price / value / interest rates of the securities in which the scheme invests fluctuates, the value of your investment in the scheme may go up or down
- Past performance of the Sponsor/AMC/Mutual Fund does not guarantee future performance of the schemes.
- The names of the schemes do not in any manner indicate either the quality of the scheme or its future prospects and returns.
- The Sponsor is not responsible or liable for any loss resulting from the operation of the scheme beyond the initial contribution of 1 Lac made by it towards setting up the Fund.
- The present schemes are not guaranteed or assured return schemes.

#### Other Risk Factors

##### a) Risk related to Equity & Equity related securities

Trading volumes, settlement periods and transfer procedures may restrict the liquidity of the investments in equity and equity related securities. Different segments of the Indian financial markets have different settlement periods and such periods may be extended significantly by unforeseen circumstances leading to delays in receipt of sale proceeds. The NAVs of the units of the Scheme can go up or down because of various factors that affect the capital markets in general. Macroeconomic factors like changes in tax rates, political uncertainties, changes in government regulations etc. and industry specific factors like competition, demand supply, etc. could impact the performance of the companies in which the Scheme invests.

##### b) Risk related to investing in Bonds / Money Market Instruments:

###### i) Interest Rate Risk

As with all debt securities, changes in interest rates will affect the NAVs of the Scheme as the prices of securities generally increase as interest rates decline and generally decrease as interest rates rise. Prices of long term securities generally fluctuate more in response to interest rate changes than of shorter-term securities. Interest rate movements in the Indian debt markets can be volatile leading to the possibility of large price movements up or down in debt and money market securities and thereby to possibly large movements in the NAV.

###### ii) Liquidity or Marketability Risk

This refers to the ease at which a security can be sold at or near its true value. The primary measure of liquidity risk is the spread between the bid price and the offer price quoted by a dealer. Liquidity risk is characteristic of the Indian fixed income market. Trading volumes, settlement periods and transfer procedures may restrict the liquidity of some of these investments. Different segments of the Indian financial markets have different settlement periods, and such periods may be extended significantly by unforeseen circumstances. The length of time for settlement may affect the Scheme in the event it has to meet an inordinately large number of redemption or of restructuring of the Scheme's investment portfolio.

###### iii) Credit Risk

Credit risk or default risk refers to the risk that an issuer of a fixed income security may default (i.e., will be unable to make timely principal and interest payments on the security). Because of this risk, debentures are sold at a yield spread above those offered on treasury securities which are sovereign obligations and generally considered to be free of credit risk. Normally, the value of a fixed income security will fluctuate depending upon the actual changes in the perceived level of credit risk as well as the actual event of default.

###### iv) Reinvestment Risk

This risk refers to the interest rate levels at which cash flows received from the securities in the Scheme or from maturities in the Scheme are reinvested. The additional income from reinvestment is the "interest on interest" component. The risk is that the rate at which interim cash flows can be reinvested will fall.

##### c) Risk related to ADRs/GDRs

The Scheme may also invest in ADRs / GDRs as permitted by Reserve Bank of India and Securities and Exchange Board of India. To the extent that some part of the assets of the Plans may be invested in securities denominated in foreign currencies, the Indian Rupee equivalent of the net assets, distributions and income may be adversely affected by the changes in the value of certain foreign currencies relative to the Indian Rupee. The repatriation of capital also may be hampered by changes in regulations concerning exchange controls or political circumstances as well as the application to it of other restrictions on investment.

##### d) Risk relating to Derivatives

The Scheme may use various derivative products as permitted by the Regulations. In the derivative markets there are risk factors and issues concerning the use of derivatives that investors should understand. Derivatives require the maintenance of adequate controls

to monitor the transactions entered into, the ability to assess the risk that a derivative adds to the portfolio and the ability to manage the risks as a result of the failure of the counterparty to comply with the terms of the derivative contract. Other risks in using derivatives include the risk of mispricing or improper valuation of derivatives, credit risk where the danger is that of a counterparty failing to honour its commitment, liquidity risk where the danger is that the derivatives cannot be sold at prices that reflect the underlying assets, rates and indices and price risk where the market price may move in adverse fashion.

Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the Fund Manager will be able to identify or execute such strategies.

The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing

**e) Additional Risk Factors:**

**i) Redemption Risk**

As the liquidity of the investments made by the Scheme could, at times, be restricted by trading volumes and settlement periods, the time taken by the Mutual Fund for redemption of Units may be significant in the event of an inordinately large number of redemption requests or a restructuring of the Scheme.

**ii) Stock Lending**

In case the Scheme undertakes stock lending under the Regulations, it may, at times be exposed to counter party risk and other risks associated with the securities lending. Unitholders of the Scheme should note that there are risks inherent to securities lending, including the risk of failure of the other party, in this case the approved intermediary, to comply with the terms of the agreement entered into between the lender of securities i.e. the Scheme and the approved intermediary. Such failure can result in the possible loss of rights to the collateral put up by the borrower of the securities, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of any corporate benefits accruing to the lender from the securities deposited with the approved intermediary.

**f) Investment exposure of the Fund with reference to Securitised Debt and risk factors specific to investments in Securitised papers**

The Fund will predominantly invest only in those securitisation issuances which have a rating of AA and above indicating the high level of safety from credit risk point of view at the time of making an investment. The Fund will not invest in foreign securitised debt.

The Fund may invest in various type of securitisation issuances, including but not limited to Asset Backed Securitisation, Mortgage Backed Securitisation, Personal Loan Backed Securitisation, Collateralized Loan Obligation / Collateralized Bond Obligation and so on.

The Fund will conduct an independent due diligence on the cash margins, collateralisation, guarantees and other credit enhancements and the portfolio characteristic of the securitisation to ensure that the issuance fits in to the overall objective of the investment in high investment grade offerings irrespective of underlying asset class.

Types of securitised debt vary and carry different levels and types of risks. Credit risk on securitised bonds depends upon the originator and varies depending on whether they are issued with recourse to originator or otherwise. Even within securitised debt, AAA rated securitised debt offers lesser risk of default than AA rated securitised debt. A structure with Recourse will have a lower credit risk than a structure without recourse.

**G) Risk analysis on underlying asset classes in securitisation**

**Generally the following asset classes for securitisation are available in India :**

- (a) Commercial Vehicles
- (b) Auto and Two wheeler pools
- (c) Mortgage pools (residential housing loans)
- (d) Personal Loan, credit card and other retail loans
- (e) Corporate loans/receivables

Underlying assets in securitised debt may assume different forms and the general types of receivables include auto finance, credit cards, home loans or any such receipts. Credit risks relating to these types of receivables depend upon various factors including macro economic factors of these industries and economies. Specific factors like nature and adequacy of property mortgaged against these borrowings, nature of loan agreement / mortgage deed in case of home loan, adequacy of documentation in case of auto finance and home loans, capacity of borrower to meet its obligation on borrowings in case of credit cards and intentions of the borrower influence the risks relating to the asset borrowings underlying the securitised debt.

Holders of the securitised assets may have low credit risk with diversified retail base on underlying assets especially when securitised assets are created by high credit rated tranches. Risk profiles of Planned Amortisation Class tranches (PAC), Principal Only Class Tranches (PO) and Interest Only class tranches (IO) will differ depending upon the interest rate movement and speed of repayment.

In terms of specific risks attached to securitisation, each asset class would have different underlying risks, however, residential mortgages are supposed to be having lower default rates as an asset class. On the other hand, repossession and subsequent recovery of commercial

vehicles and other auto assets is fairly easier and better compared to mortgages. Some of the asset classes such as personal loans, credit card receivables, etc., being unsecured credits in nature, may witness higher default rates. As regards corporate loans/receivables, depending upon the nature of the underlying security for the loan or the nature of the receivable the risks would correspondingly fluctuate. However, the credit enhancement stipulated by rating agencies for such asset class pools is typically much higher and hence their overall risks are comparable to other AAA rated asset classes. The rating agencies have an elaborate system of stipulating margins, over collateralisation and guarantees to bring risk limits in line with the other AA rated securities.

**The risks associated with the underlying assets can be described as under :**

Credit card receivables are unsecured. Automobile / vehicle loan receivables are usually secured by the underlying automobile / vehicle and sometimes by a guarantor. Mortgages are secured by the underlying property. Personal loans are usually unsecured.

Corporate loans could be unsecured or secured by a charge on fixed assets / receivables of the company or a letter of comfort from the parent company or a guarantee from a bank / financial institution. As a rule of thumb, underlying assets which are secured by a physical asset / guarantor are perceived to be less risky than those which are unsecured. By virtue of this, the risk and therefore the yield in descending order of magnitude would be credit card receivables, personal loans, vehicle / automobile loans, mortgages and corporate loans assuming the same rating.

**Some of the factors, which are typically analyzed for any pool are as follows :**

Size of the loan : generally indicates the kind of assets financed with loans. Also indicates whether there is excessive reliance on very small ticket size, which may result in difficult and costly recoveries. To illustrate, the ticket size of housing loans is generally higher than that of personal loans. Hence in the construction of a housing loan asset pool for say Rs.10,000,000/- it may be easier to construct a pool with just 10 housing loans of Rs.1,000,000 each rather than to construct a pool of personal loans as the ticket size of personal loans may rarely exceed Rs.500,000/- per individual. Also to take this illustration further, if one were to construct a pool of Rs.10,000,000/- consisting of personal loans of Rs.100,000/- each, the larger number of contracts (100 as against one of 10 housing loans of Rs.10 lakh each) automatically diversifies the risk profile of the pool as compared to a housing loan based asset pool.

Average original maturity of the pool : indicates the original repayment period and whether the loan tenors are in line with industry averages and borrower's repayment capacity. To illustrate, in a car pool consisting of 60-month contracts, the original maturity and the residual maturity of the pool viz. number of remaining installments to be paid gives a better idea of the risk of default of the pool itself. If in a pool of 100 car loans having original maturity of 60 months, if more than 70% of the contracts have paid more than 50% of the installments and if no default has been observed in such contracts, this is a far superior portfolio than a similar car loan pool where 80% of the contracts have not even crossed 5 installments.

Loan to Value ("LTV") Ratio : Indicates how much % value of the asset is financed by borrower's own equity. The lower the LTV ratio, the better it is. This ratio stems from the principle that where the borrower's own contribution of the asset cost is high, the chances of default are lower. To illustrate for a vehicle costing Rs. 50 lakhs, if the borrower has himself contributed Rs. 40 lakhs and has taken only Rs.10 lakhs as a loan, he is going to have lesser propensity to default as he would lose an asset worth Rs. 50 lakhs if he defaults in repaying an installment. This is as against a borrower who may meet only Rs. 5 lakhs out of his own equity for a vehicle costing Rs. 50 lakhs. Between the two scenarios given above, the latter would have higher risk of default than the former.

Average seasoning of the pool : Indicates whether borrowers have already displayed repayment discipline. To illustrate, in the case of a personal loan, if a pool of assets consists of those who have already repaid 80% of the installments without default, this certainly is a superior asset pool than the one where only 10% of the installments have been paid. In the former case, the portfolio has already demonstrated that the repayment discipline is far higher.

Default rate distribution : Indicates how much % of the pool and overall portfolio of the originator is current, how much is in 0-30 DPD (days past due), 30-60 DPD, 60-90 DPD and so on. The rationale here is very obvious - as against 0-30 DPD, the 60-90 DPD is certainly a higher risk category.

Unlike in plain vanilla instruments, in securitisation transactions, it is possible to work towards a target credit rating, which could be much higher than the originator's own credit rating. This is possible through a mechanism called "Credit enhancement" and is fulfilled by filtering the underlying asset classes and applying selection criteria, which further diminishes the risk inherent for a particular asset class. The purpose of credit enhancement is to ensure timely payment to the investors, if the actual collections from the pool of receivables for a given period are short of the contractual payouts on securitisation. Securitisation is normally a non-recourse instrument and therefore, the repayment on securitisation would have to come from the underlying assets and the credit enhancement. Therefore, the rating criteria centrally focuses on the quality of the underlying assets.

World over, the quality of credit ratings is measured by default rates and stability. An analysis of rating transition and default rates, witnessed in both international and domestic arena, clearly reveals that structured finance ratings have been characterized by far lower default and transition rates than that of plain vanilla debt ratings. Further, internationally, in case of structured finance ratings, not only are the default rates low but post default recovery is also high.

In the Indian scenario, also, more than 95% of issuances have been AAA rated issuances indicating the strength of the underlying assets as well as adequacy of credit enhancement.

**Interest Rate Risk**

The change in market interest rates – prepayments may not change the absolute amount of receivables for the investors, but may have an

impact on the re-investment of the periodic cash flows that the investor receives in the securitised paper.

#### **Limited liquidity & price risk**

Presently, secondary market for securitised papers is not very liquid. There is no assurance that a deep secondary market will develop for such securities. This could limit the ability of the investor to resell them. Even if a secondary market develops and sales were to take place, these secondary transactions may be at a discount to the initial issue price due to changes in the interest rate structure.

#### **Limited recourse, delinquency and credit risk**

Securitised transactions are normally backed by pool of receivables and credit enhancement as stipulated by the rating agency, which differ from issue to issue. The credit enhancement stipulated represents a limited loss cover to the Investors. These certificates represent an undivided beneficial interest in the underlying receivables and there is no obligation of either the Issuer or the Seller or the originator, or the parent or any affiliate of the seller, issuer and originator. No financial recourse is available to the certificate holders against the investors' representative. Delinquencies and credit losses may cause depletion of the amount available under the credit enhancement and thereby the investor payouts may get affected if the amount available in the credit enhancement facility is not enough to cover the shortfall. On persistent default of an obligor to repay his obligation, the servicer may repossess and sell the underlying asset. However many factors may affect, delay or prevent the repossession of such asset or the length of time required to realize the sale proceeds on such sales. In addition, the price at which such asset may be sold may be lower than the amount due from that obligor.

#### **Risks due to possible prepayments: Weighted Tenor / Yield**

Asset securitisation is a process whereby commercial or consumer credits are packaged and sold in the form of financial instruments. Full prepayment of underlying loan contract may arise under any of the following circumstances :

- Obligor pays the receivable due from him at any time prior to the scheduled maturity date of that receivable; or
- Receivable is required to be repurchased by the seller consequent to its inability to rectify a material misrepresentation with respect to that receivable; or
- The servicer recognizing a contract as a defaulted contract and hence repossessing the underlying asset and selling the same; or
- In the event of prepayments, investors may be exposed to changes in tenor and yield.

#### **Bankruptcy of the originator or seller**

If originator becomes subject to bankruptcy proceedings and the court in the bankruptcy proceedings concludes that the sale from originator to Trust was not a sale then an investor could experience losses or delays in the payments due. All possible care is generally taken in structuring the transaction so as to minimize the risk of the sale to Trust not being construed as a "True Sale". Legal opinion is normally obtained to the effect that the assignment of Receivables to Trust in trust for and for the benefit of the Investors, as envisaged herein, would constitute a true sale.

#### **Bankruptcy of the investor's agent**

If an investor's agent becomes subject to bankruptcy proceedings and the court in the bankruptcy proceedings concludes that the recourse of investor's agent to the assets/receivables is not in its capacity as agent/Trustee but in its personal capacity, then an investor could experience losses or delays in the payments due under the swap agreement. All possible care is normally taken in structuring the transaction and drafting the underlying documents so as to provide that the assets/receivables if and when held by investor's agent is held as agent and in Trust for the investors and shall not form part of the personal assets of investor's agent. Legal opinion is normally obtained to the effect that the investor's agent's recourse to assets/receivables is restricted in its capacity as agent and Trustee and not in its personal capacity.

#### **Credit Rating of the Transaction / Certificate**

The credit rating is not a recommendation to purchase, hold or sell the certificate in as much as the ratings do not comment on the market price of the certificate or its suitability to a particular investor.

There is no assurance by the rating agency either that the rating will remain at the same level for any given period of time or that the rating will not be lowered or withdrawn entirely by the rating agency.

#### **Risk of Co-mingling**

The servicers normally deposit all payments received from the obligors into the collection account. However, there could be a time gap between collection by a servicer and depositing the same into the collection account especially considering that some of the collections may be in the form of cash. In this interim period, collections from the Loan Agreements may not be segregated from other funds of the servicer. If the servicer fails to remit such funds due to investors, the investors may be exposed to a potential loss.

#### **H) Risk factors associated with processing of transaction through Stock Exchange Mechanism:**

The trading mechanism introduced by the stock exchange(s) is configured to accept and process transactions for mutual fund units in both Physical and Demat Form. The allotment and/or redemption of Units through NSE and/or BSE, on any Business Day will depend upon the modalities of processing viz. collection of application form, KYC documentation, order processing/ settlement, etc. upon which the Fund has no control. Moreover, transactions conducted through the stock exchange mechanism shall be governed by the operating guidelines and directives issued by respective recognized stock exchange(s).

**I) Scheme Specific Risk Factors****i) Risk specific to Sector Scheme (JM Basic Fund)**

A Unitholder in JM Basic Fund should note that this Schemes is designed as a Sectoral Scheme with the aim to invest predominantly in the Sector specified in the Scheme Information Documents and as such the performance of the sector would have a direct bearing on the performance of Scheme. Unitholders should also note that there might be concentration of investments in companies of the basic industries thereby carrying the risk of non-diversification. Therefore, the NAV of this Scheme would be dependent upon the performance and market price movement of such companies in the sector. Hence the movement in the NAV of this Scheme will be more volatile compared to the NAV of a scheme with more diversified portfolio.

The performance of JM Basic Fund is being benchmarked against BSE 200.

The investment universe of the Scheme(s) shall be those companies appearing in the selected benchmark indices. However, the exposure to any company shall be restricted at 10% of NAV or sector weightage at the time of investment. The Scheme(s) may also invest in the companies of sectors which are outside these indices/universe and such exposure per such company will be restricted to 10% of the NAV. However, such companies classified under the sector would be those which are publicly recognized under that sector and / or by agencies like AMFI/ NSE/ BSE. Investors may note that they cannot invest directly into the benchmark indices.

**Tracking Error**

Tracking errors are inherent in any sectoral / index fund and such errors may cause the Schemes to generate returns which are not in line with the performance of the BSE 200 or one or more securities covered by / included in the said customized indices and may arise from a variety of factors including but not limited to:

- i. Any delay in the purchase or sale of shares due to illiquidity in the market, settlement and realisation of sales proceeds, delay in registration of securities or in receipt and consequent reinvestment of dividends, etc.
- ii. The indices reflect the prices of securities at a point in time, which is the price at the close of business day on The Stock Exchange, Mumbai / National Stock Exchange. The Schemes however, may trade these securities at different points in time during the trading session and therefore the prices at which the Schemes trade may not be identical to the closing price of each scrip on that day on the BSE / NSE. In addition, the Schemes may opt to trade the same securities on different exchanges due to price or liquidity factors, which may also result in traded prices being at variance, from BSE / NSE closing prices.
- iii. BSE may drop existing securities that are represented in their respective indices or include new ones. In such an event, the Schemes will endeavor to reallocate its portfolio to mirror the changes. However, the reallocation process may not occur instantaneously and permit precise mirroring of the said customized indices during this period.
- iv. The potential of trades to fail may result in the Schemes not having acquired the security at the price necessary to mirror the indices.
- v. Transaction and other expenses, such as but not limited to brokerage, custody, trustee and asset management fees.
- vi. There will be times when the Schemes may not be able to acquire or sell the desired number of securities due to conditions prevailing in the securities market such as, but not restricted to : circuit filters, delisting of securities, liquidity and volatility in security prices.

**ii) Specific Risk Factors associated with investments in JM Tax Gain Fund**

Apart from the risk factors mentioned above, the investors in JM Tax Gain Fund would face the following risks:

- i. The Scheme may not be able to invest in the suitable securities falling within its investment parameters leading the Scheme to hold short term deposits of scheduled commercial banks till the monies are deployed as per the investment objective of the Scheme or invest the same in other suitable securities leading to substantial reduction in the earning capability of the Scheme.
- ii. In the event of an inordinately large number of redemption requests, the Scheme may face an asset-liability mismatch requiring the investment manager to make a distress sale of the securities leading to realignment of the portfolio, consequently resulting in investment in liquid instruments.
- iii. The tax benefits available to investors in accordance with the ELSS Guidelines may be withdrawn / changed in future from time to time as may be decided by the Central Board of Direct Taxes.

**iii) Specific Risk Factors associated with investments in JM Core 11 Fund**

Apart from the risk factors mentioned above, the investors in JM Core 11 Fund should note that the Scheme is designed for investment in only 11 stocks at any point of time and as such the performance of these stocks would have a direct bearing on the performance of Scheme. Unitholders should also note that as there will be concentration of investments in only 11 stocks, the Scheme carries the risk of non-diversification. Therefore, the NAV of this Scheme would be dependent upon the performance and market price movement of such companies in the Scheme and will be more volatile compared to the NAV of a scheme with more diversified portfolio.

## **RISK MITIGATION MEASURES FOLLOWED:**

Risk management is an integral part of the investment process. The AMC incorporates adequate safeguards for controlling risks in the portfolio construction process, which would be periodically evaluated. Online monitoring of various exposure limits are done by the Front Office System. The system incorporates all the investment restrictions as per SEBI guidelines and 'soft' warning alerts at appropriate levels for preemptive monitoring. The system also enables identifying & measuring the risk through various risk measurement tools and analyzes the same so as to act in a preventive manner. In addition to minimize the major risks for equity & debt schemes, the following steps are taken

### **Market Risk / Volatility Risk** – Risk of adverse price movements in the portfolio

The overall volatility of the respective portfolios would be maintained in line with the objectives of the schemes. The portfolio would be adequately diversified to mitigate volatility depending on its respective mandate. Volatility would be monitored with respect to the benchmark and peer set.

### **Concentration Risk - Risk of undue concentration in single stock**

The equity portfolios are reasonably diversified in line with the objectives of the schemes. JM Core 11 fund will be an exception to the above since the fund invests only in 11 stocks. Hence its volatility and concentration risk will be higher. The investors of the respective schemes are apprised of the same

The scheme may also use derivatives and other hedging instruments, as permitted, from time to time, in order to protect the value of the portfolio.

### **Liquidity Risk** – Risk if liquidity impact of entering/exiting the underlying stocks in the portfolio

Depending on the mandate of the respective equity schemes, some part of the scheme is invested in large cap stocks which are actively traded and thereby liquid. The fund manager may also keep some portion of the portfolio in debt and money market instruments and/or cash within the specified asset allocation framework for the purpose of meeting redemptions. The overall liquidity of the schemes are monitored periodically and necessary action taken on the portfolios, if required. The debt/money market instruments that are invested by the fund also have a short term duration.

### **Risk management strategy in case of JM Arbitrage Advantage Fund**

In order to minimize the risk on account of re-pricing of futures or options at the time of expiry, the Fund will endeavour to rollover the hedge transaction to the next month at an appropriate premium before the current hedge expires. In case an appropriate premium is not available for the same, the Fund would liquidate the entire portfolio and invest in fixed income securities or any other suitable securities. In such a transaction, the original hedge on the underlying portfolio would protect the returns of the investors till expiry and enable the Fund Manager to fully mitigate any market risk. The above transaction could be executed anytime within a settlement taking into account asset-liability profiles and liquidity issues.

All investment decisions will be recorded with regards to market neutrality (zero VAR) and any deviations will be reported to the Board of Trustees at their next meetings.

## **B. REQUIREMENT OF MINIMUM INVESTORS/ INVESTMENT IN THE SCHEME (Applicability for an open-ended schemes)**

Each of the Schemes/ plans (at portfolio level) shall have a minimum of 20 investors and no single investor shall account for more than 25% of the corpus of the Scheme/ Plan(s). In case the Scheme / Plan(s) does not have a minimum of 20 investors in the stipulated period, the provisions of Regulation 39(2)(c) of the SEBI (MF) Regulations would become applicable automatically without any reference from SEBI and accordingly the Scheme / Plan(s) shall be wound up and the units would be redeemed at applicable NAV. The two conditions mentioned above shall also be complied within each subsequent calendar quarter thereafter, on an average basis, as specified by SEBI. If there is a breach of the 25% limit by any investor over the quarter, a rebalancing period of one month would be allowed and thereafter the investor who is in breach of the rule shall be given 15 days notice to redeem his exposure over the 25 % limit. Failure on the part of the said investor to redeem his exposure over the 25 % limit within the aforesaid 15 days would lead to automatic redemption by the Mutual Fund on the applicable Net Asset Value on the 15th day of the notice period. The Fund shall adhere to the requirements prescribed by SEBI from time to time in this regard.

## **C. SPECIAL CONSIDERATIONS, if any**

Prospective investors in this Scheme should educate themselves or seek professional advice on:

1. Legal requirements or restrictions relating to the acquisition, holding, disposal, or redemption of Units within their jurisdiction of nationality, residence, ordinary residence and domicile or under the laws of any jurisdiction to which they are subject; and
2. Treatment of capital gains, and other tax consequences relevant to their acquisition, holding or disposal, whether by way of sale or redemption of Units

Potential investors should study this Scheme Information Document carefully in its entirety and consult their legal, tax and investment advisors to determine possible legal, tax, financial or other considerations of subscribing for, purchasing or holding Units before making a subscription for Units.

Potential investors should note that all financial investments carry inherent risks and no assurance or guarantee can be given that the objective of the Fund will be fully met. The NAV of the Units issued under these Schemes and the income from them can go up or down depending on the factors and forces affecting the capital markets, debt markets and money markets.

Entities managed or sponsored by the affiliates or associates of the Sponsors may either directly or indirectly invest in a substantial portion of the Scheme. If these entities decide to offer a substantial portion of such investment for repurchase, it may have an adverse impact on the

#### NAV of Units.

Neither this Scheme Information Document nor the Units have been registered in any jurisdiction. The distribution of this Scheme Information Document in certain jurisdictions may be restricted or subject to registration requirements and, accordingly, persons who come into possession of this Scheme Information Document are required to inform themselves about, and to observe, any such restrictions, as may be applicable. This Scheme Information Document does not constitute an offer or solicitation to any person within such jurisdiction. The Mutual Fund may compulsorily redeem any units held directly or beneficially in contraventions of these prohibitions. It is the responsibility of any person in possession of this Scheme Information Document and of any person wishing to apply for Units pursuant to this Scheme Information Document to inform themselves of and to observe, all applicable laws and Regulations of such relevant jurisdiction.

No person has been authorized to issue any advertisement or to give any information or to make any representations other than that contained in this Scheme Information Document. Circulars in connection with this offering not authorized by JM Financial Mutual Fund and any information or representations not contained herein must not be relied upon as having been authorized by JM Financial Mutual Fund. Prospective investors should not construe the contents hereof as advice relating to legal, taxation or investment matters and are advised to consult their own professional advisors concerning the purchase, holding or disposal of Units.

Past performance of other Schemes of JM Financial Mutual Fund are not necessarily indicative of the future performance of the Scheme. The Sponsor is not responsible or liable for any loss resulting from the operation of the Scheme beyond the initial contribution made by it of an aggregate amount of Rupees One lac towards setting up of the Mutual Fund which has been invested in JM Equity Fund and such other accretions and additions to the initial corpus made by the Sponsor.

#### **Non – acceptance of subscriptions:**

The U.S. Securities and Exchange Commission (SEC) requires that a person falling under the definition of the term 'US Person' under the Securities Act of 1933 of U.S.A (an 'Act') and corporations or other entities organized under the U.S. laws shall not be permitted to make investments in securities not registered under the Act.

Also, the Canadian Securities Administrator (CSA) mandates prior registration of the fund with CSA before marketing or selling to the residents of Canada.

The investors are hereby informed that none of the schemes of JM Financial Mutual Fund (the "Mutual Fund") are presently registered under the relevant laws, as applicable in the territorial jurisdiction of U.S. or in any provincial or territorial jurisdiction of Canada. Hence, the units made available under the SAI or SID of all the schemes may not be directly or indirectly be offered for sale in any of the provincial or territorial jurisdiction in U.S. and/or Canada or to/or for the benefits of the residents thereof. Accordingly, the persons, corporations and other entities organized under the applicable laws of the U.S. including Qualified Foreign Investors (QFI) registered in USA and Canada and residents of Canada as defined under the applicable laws of Canada will not be permitted to make any fresh purchases/additional purchases/switches in any of the Schemes of the Mutual Fund, in any manner whatsoever.

#### **The above classes of investors are requested to note the following:**

- a. No fresh purchases (including Systematic Investment Plans and Systematic Transfer Plans)/ additional purchases/switches in any Schemes of the Mutual Fund would be allowed. However, existing Unit Holder(s) will be allowed to redeem their units from the Schemes of the Mutual Fund. If an existing Unit Holder(s) subsequently becomes a U.S. Person or Resident of Canada, then such Unit Holder(s) will not be able to purchase any additional Units in any of the Scheme of the Fund.
- b. For transaction on Stock Exchange platform, while transferring units from the broker account to investor account, if the investor has U.S./Canadian address then the transactions would be rejected.
- c. In case JM Financial Asset Management Ltd. (the "AMC")/JM Financial Mutual Fund subsequently identifies that the subscription amount is received from U.S. Person(s) or Resident(s) of Canada, the AMC/Mutual Fund at its discretion shall redeem all the units held by such person from the Scheme of the Mutual Fund at applicable Net Asset Value.

#### **Identification of Beneficial Ownership:**

In terms of SEBI Master Circular on Anti Money Laundering (AML) Standards/ Combating the Financing of Terrorism (CFT) dated December 31, 2010 and guidelines issued by SEBI from time to time, all the registered intermediaries are required to undertake Client Due Diligence ('CDD') measures wherein intermediaries are required to obtain sufficient information from their clients in order to identify and verify the identity of the persons who beneficially own or control the securities account.

In terms of the said SEBI Master Circular, beneficial owner is the natural person or persons who ultimately own, control or influence a client and/or persons on whose behalf a transaction is being conducted. It also incorporates those persons who exercise ultimate effective control over a legal person or arrangement. Also, the Prevention of Money Laundering Rules, 2005 (PMLR 2005) requires each intermediary to identify the beneficial owner and take all reasonable steps to verify his/her identity.

In compliance with the aforesaid regulatory requirements, the following CDD shall be applicable to all the investors of the schemes of JM Financial Mutual Fund (the 'Mutual Fund'):

#### **1. Applicability:**

- a. Details of beneficial ownership will have to be provided by all the categories of investors except the following:
  1. Individuals
  2. Company listed on a stock exchange

3. Majority owned subsidiary of the aforesaid company.
- b. Information about the Beneficial Owner shall be provided by the investors to JM Financial Asset Management Limited (the "AMC")/its Registrar i.e. M/s. Karvy Computershare Private Limited.
- c. Proof of Identity of the Beneficial Owner such as Name/s, Address & PAN/Passport together with self attested copy\* are required to be submitted to the AMC/its Registrar.  
(\*Original to be shown for verification and immediate return)
- d. In case of any change in the beneficial ownership, the investor is required to immediately intimate the AMC/its Registrar/KRA, as may be applicable, about such changes.

**2. Identification Process:**

As provided by SEBI in its Circular No. CIR/MIRSD/2/2013 dated January 24, 2013, the following process shall be adopted by the Mutual Fund:

**a) For investors other than Individuals or Trusts:**

1. In the case of Company, Partnership or unincorporated association/body of individuals, the beneficial owners are the natural person/s, who, whether acting alone or together, or through one or more judicial person, exercises control through ownership or who ultimately has a controlling ownership interest.

For the aforesaid clause, Controlling ownership interest means ownership of/entitlement of:

- a. More than 25% of shares or capital or profits of the juridical person, where the juridical person is a company;
- b. More than 15% of the capital or profits of the juridical person, where the juridical person is a partnership; or
- c. More than 15% of the property or capital or profits of the juridical person, where the juridical person is an unincorporated association or body of individuals.
2. In case of doubt under clause (1) above as to whether the person with the controlling ownership interest is the beneficial owner or where no natural person exerts control through ownership interests; the identity of the natural person exercising control over the juridical person through voting rights, agreement, arrangements or in any other manner shall be the beneficial owner.
3. Where no natural person is identified under clauses (1) and (2) above, the natural person who holds the position of senior managing official shall be considered as the beneficial owner.

**b) For investor which is a Trust:**

In case of a Trust, the intermediary shall identify the beneficial owners of the investor and take reasonable measures to verify the identity of such persons, through the identity of the Settlor of the trust, the trustee, the protector, the beneficiaries with 15% or more interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership.

**c) For Foreign investors:**

The intermediaries dealing with foreign investors viz., Foreign Institutional Investors, Sub Accounts and Qualified Foreign Investors shall adopt the Know Your Client (KYC) requirements specified by SEBI in its SEBI Circular No. CIR/MIRSD/11/2012 dated September 5, 2012, which are as follows:

Relevant requirements on KYC Form as per SEBI Circulars dated August 22, 2011 and October 5, 2011	Clarifications for Foreign Investors viz. FIIs, Sub Accounts and QFIs

In accordance with the ELSS notification of November, 2005, the Funds collected under the Scheme shall be invested in equities, cumulative convertible preference shares and fully convertible debentures and bonds of companies. Investment may also be made in partly convertible issues of debentures and bonds including those issued on rights basis subject to the condition that, as far as possible, the non-convertible portion of the debentures so acquired or subscribed, shall be disinvested within a period of twelve months.

The corpus of the assets of the Scheme shall be predominantly invested in equity and equity related instruments. In accordance with the ELSS notifications, investments in equity and equity related instruments in the Scheme shall be to the extent of at least 80% of net assets. The Fund shall strive to invest the funds in the manner stated within a period of six months from the date of allotment. In exceptional circumstances, this requirement may be dispensed with by the Fund in order that the interests of the unitholders are protected.

In case of any change in asset allocation pattern affecting the investment profile of JM Tax Gain Fund, in addition to the above procedure, the changes shall be effected in line with the ELSS notifications issued by the Central Board of Direct Taxes from time to time.

The AMC intends to invest in derivative instruments in accordance with the SEBI Regulations, as and when opportunities arise in the derivatives markets. The investment in derivatives will be broadly in line with the investment objective of the Scheme.

All the above limits shall be in line with the investment objective of the Scheme.

The cumulative gross exposure through equity, debt and derivative positions will not exceed 100% of the net assets of the Scheme.

The Trustee may, from time to time, pending deployment of funds of the Scheme in securities in terms of the investment objective of the Scheme, invest the funds of the Scheme in short-term deposits of scheduled commercial banks subject to compliance with SEBI Circular SEBI/IMD/CIR No.1/ 91171 /07 dated April 16, 2007 as amended by SEBI Circular SEBI/IMD/CIR No.7/129592/08 dated June 23,2008.

**Changes in Investment pattern:-** Subject to the SEBI Regulations, the asset allocation pattern indicated above may change from time to time, keeping in view market conditions, market opportunities, applicable regulations and political and economic factors. It must be clearly understood that the percentages stated above are only indicative and not absolute and that they can vary substantially within the maximum and minimum allocation limits, depending upon the perception of the Investment Manager, the intention being at all times to seek to protect the interests of the Unitholders. Such changes in the investment pattern will be for short term and defensive considerations.

Provided further and subject to the above, any change in the asset allocation affecting the investment profile of the Scheme shall be effected only in accordance with the provisions of sub regulation (1 5A) of Regulation 18 of the SEBI Regulation, as detailed later in this document.

### **C. WHERE WILL THE SCHEMES INVEST?**

The Mutual Fund may invest in any of the following securities or a combination of the following securities subject to the Regulations and the investment objectives and the terms of the respective schemes set out elsewhere in the Scheme Information Document.

The corpus of the Schemes will be invested in equity, equity related instruments, derivatives such as futures and options and fixed income securities. Subject to the Regulations, the corpus of the Scheme can be invested in any (but not exclusively) of the following securities:

- Equity and equity related securities including convertible bonds and debentures and warrants carrying the right to obtain equity shares ;
- Derivative instruments like Interest Rate Swaps, Forward Rate Agreements, Stock Index Futures and such other derivative instruments permitted by SEBI and RBI;
- Securities created and issued by the Central and State Governments and/or repos/reverse repos in such Government Securities as may be permitted by RBI (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills);
- Securities guaranteed by the Central and State Governments (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills);
- Debt obligations of domestic Government agencies and statutory bodies, which may or may not carry a Central/State Government guarantee;
- Corporate debt and securities (of both public and private sector undertakings) including Bonds, Debentures, Notes, Strips, etc.;
- Obligations of banks (both public and private sector) and development financial institutions;
- Money market instruments permitted by SEBI / RBI;
- Certificate of Deposits (CDs);
- Commercial Paper (CPs);
- Securitised Debt;
- The non-convertible part of convertible securities;
- Any other domestic fixed income securities including Structured Obligations;;
- Pass through, Pay through or other Participation Certificates representing interest in a pool of assets including receivables;
- Any other like instruments as may be permitted by RBI/SEBI/ such other regulatory authority from time to time.

The securities mentioned above and such other securities, the Scheme is permitted to invest, could be listed, unlisted, IPO's, secondary market operations, privately placed, rights offers or negotiated deals, secured, unsecured, rated or unrated and of any maturity.

However the sectors/stocks in the Scheme may undergo a change in line with market conditions.

The Fund can invest in securities that are rated by CRISIL, ICRA and other independent credit rating agencies.

- Investment in overseas securities shall be made in accordance with the requirements stipulated by SEBI and RBI from time to time;

### **POLICY AND SPECIAL CONSIDERATION ON INVESTMENT IN DERIVATIVES AND HEDGING PRODUCTS**

#### **Equity Derivatives**

SEBI vide its circular no. DNP/Cir-29/2005 dated September 14, 2005 as amended by circular nos. DNP/Cir-30/2006 dated January 20, 2006 and DNP/Cir-31/2006 dated September 22, 2006 has specified position limits in index futures, index options, stock options and stock futures contracts for Mutual Funds.

The position limits for the Mutual Fund and its schemes shall be as under:

#### **i. Position limit for the Mutual Fund in equity index options contracts**

- a. The Mutual Fund position limit in equity index options contracts on a particular underlying index shall be higher of Rs. 500 crores or 15% of the total open interest in the market in equity index option contracts
- b. This limit would be applicable on open positions in all options contracts on a particular underlying index.

#### **ii. Position limit for the Mutual Fund in equity index futures contracts:**

- a. The Mutual Fund position limit in equity index futures contracts on a particular underlying index shall be higher of Rs. 500 crores

or 15% of the total open interest in the market in equity index futures contracts.

b. This limit would be applicable on open positions in all futures contracts on a particular underlying index.

**iii. Additional position limit for hedging**

In addition to the position limits at point (i) and (ii) above, the Mutual Fund may take exposure in equity index derivatives subject to the following limits:

1. Short positions in index derivatives (short futures, short calls and long puts) shall not exceed (in notional value) the Mutual Fund's holding of stocks.
2. Long positions in index derivatives (long futures, long calls and short puts) shall not exceed (in notional value) the Mutual Fund's holding of cash, government securities, T-Bills and similar instruments.

**iv. Position limit for the Mutual Fund for stock based derivative contracts**

The Mutual Fund position limit in a derivative contract on a particular underlying stock, i.e. stock option contracts and stock futures contracts, stand modified in the following manner:-

1. For stocks having applicable market-wise position limit ("MWPL") of Rs. 500 crores or more, the combined futures and options position limit shall be 20% of applicable MWPL or Rs. 300 crores, whichever is lower and within which stock futures position cannot exceed 10% of applicable MWPL or Rs. 150 crores, whichever is lower.
2. For stocks having applicable MWPL less than Rs. 500 crores, the combined futures and options position limit would be 20% of applicable MWPL and futures position cannot exceed 20% of applicable MWPL or Rs. 50 crores whichever is lower.
3. The MWPL and client level position limits, however, would remain the same as prescribed.

**v. Position limit for each scheme of a Mutual Fund**

The position limits for each scheme of the mutual fund and disclosure requirements shall be identical to that prescribed for a sub-account of a FII. Therefore, the scheme-wise position limit / disclosure requirements shall be:

1. For stock option and stock futures contracts, the gross open position across all derivative contracts on a particular underlying stock of a scheme of a mutual fund shall not exceed the higher of: 1% of the free float market capitalisation (in terms of number of shares).

Or

5% of the open interest in the derivative contracts on a particular underlying stock (in terms of number of contracts).

2. This position limits shall be applicable on the combined position in all derivative contracts on an underlying stock at a Stock Exchange.
3. For index based contracts, the Mutual Fund shall disclose the total open interest held by its scheme or all schemes put together in a particular underlying index, if such open interest equals to or exceeds 15% of the open interest of all derivative contracts on that underlying index.

The enhanced limits will enable participants, to hedge their positions more effectively, especially for stocks with large market capitalization and higher liquidity. Separate position limits have been built in for stock options in order to provide an impetus for the options market.

JM Financial Mutual Fund will act in accordance with the rules and regulations as may be prescribed by SEBI in this regard from time to time.

**Strategies that employ index futures:**

The Scheme has an existing equity portion invested in a basket of stocks. In case the fund manager has a view that the equity markets are headed downwards, the Scheme can then hedge the exposure to equity either fully or partially by initiating short futures positions in the index. A similar position in the long direction can also be initiated by the Scheme to hedge its position of cash and permissible equivalents.

**Risks**

The risks associated with index futures are similar to those associated with equity investments. Additional risks could be on account of illiquidity and potential mis-pricing of the futures and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.

The long position in the Nifty will have as much loss as the gain in the short portfolio if hedged completely and would be vice versa if we were holding long portfolio short index.

To the extent permissible by extant regulations, the Scheme can initiate a naked short position in an underlying index future traded on a recognized stock exchange. In case the nifty future contract is trading at say, Rs. 1850, and the fund manager has a view that it will depreciate going forward, the Scheme can initiate a sale transaction of nifty futures at Rs.1850 without holding a portfolio of equity stocks or any other underlying long equity position. Once the price falls to Rs. 1800 after say, 20 days the Scheme can initiate a square-up transaction by buying the said futures and book a profit of Rs. 50. Correspondingly the Scheme can take a long position without an underlying cash/ cash equivalent subject to the extant regulations.

**Risks**

The risks associated with index futures are similar to those associated with equity investments. Additional risks could be on account of illiquidity and potential mis-pricing of the futures and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.

The long position in the Nifty will have as much loss as the gain in the short portfolio if hedged completely and would be vice versa if we were holding long portfolio short index.

### Strategies that employ stock specific futures :

Individual stock futures are also available in the Indian equity markets. Stock futures trade either at a premium or at discount to the spot prices, the level of premium generally reflects the cost of carry. Stock specific issues may have a bearing on futures as speculators may find futures as a cost-effective way of executing their view on the stock. However such executions usually increase the premium/discount to the spot significantly, thereby giving rise to arbitrage opportunities for a Scheme. The Scheme will also look at mispricing opportunities to generate returns through shorts on specific stock futures within the applicable limits for the Fund. These strategies have been explained below.

- (a) Selling spot and buying future : In case the Scheme holds the stock of a company at say Rs. 1000 while in the futures market it trades at a discount to the spot price say at Rs. 980 then the Scheme may sell the stock and buy the futures. On the date of expiry of the stock future, the Scheme may reverse the transactions (i.e. buying at spot & selling futures) and earn a risk-free Rs. 20 (2% absolute) on its holdings. If on the date of expiry of the futures, if the stock trades at Rs. 1100 which would be the price of the futures too, the Scheme will have a benefit of Rs. 100 whereby the Scheme gets the 10% upside movement together with the 2% benefit on the arbitrage, and thus getting a total return of 12%.

#### Risks

While futures markets are typically more liquid than the underlying cash market, there can be no assurance that ready liquidity would exist at all points in time for the Scheme to purchase or close out a specific futures contract.

The risks associated with stock futures are similar to those associated with equity investments. Additional risks could be on account of illiquidity and potential mis-pricing of the futures.

- (b) Buying spot and selling future : A company trading in the spot market at Rs. 1000 while it trades at Rs. 1020 in the futures market then the Scheme may buy the stock at spot and sell in the futures market thereby earning Rs. 20. In case of adequacy of cash with the Scheme, this strategy may be used to enhance returns of the Scheme which was otherwise sitting on cash.

#### Risks

While futures markets are typically more liquid than the underlying cash market, there can be no assurance that ready liquidity would exist at all points in time for scheme to purchase or close out a specific futures contract.

The risks associated with stock futures are similar to those associated with equity investments. Additional risks could be on account of illiquidity and potential mis-pricing of the futures.

- (c) Buying stock future : Where the Scheme wants to initiate a long position in a stock whose spot price is at say, Rs.1 000 and futures is at Rs. 980, then the Scheme may just buy the futures contract instead of the spot thereby benefiting from a lower cost option.

#### Risks

The risks associated with stock futures are similar to those associated with equity investments. Additional risks could be on account of illiquidity and potential mis-pricing of the futures and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.

- (d) Selling stock future : In case the Scheme has a bearish view on a stock which is trading in the spot market at Rs. 1000 and the futures market at say Rs. 980. The Scheme can express such a view subject to extant SEBI regulations by initiating a short position in the futures contract. In case the view is right and the futures price depreciates to say Rs. 900 the Scheme can square up the short position thereby earning a profit of Rs. 80.

#### Risks

The risks associated with stock futures are similar to those associated with equity investments. Additional risks could be on account of illiquidity and potential mis-pricing of the futures and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.

### Options :

Option contracts are of two types - Call and Put; the former being the right, but not obligation, to purchase a prescribed number of shares at a specified price before or on a specific expiration date and the latter being the right, but not obligation, to sell a prescribed number of shares at a specified price before or on a specific expiration date. The price at which the shares are contracted to be purchased or sold is called the strike price. Options that can be exercised on or before the expiration date are called American Options, while those that can be exercised only on the expiration date are called European Options.

Option contracts are designated by the type of option, name of the underlying, expiry month and the strike price.

#### Numerical examples of Options Call

Call Option: The Scheme buys a call option at the strike price of say Rs.1 000 and pays a premium of say Rs. 50, the Scheme would earn profits if the market price of the stock at the time of expiry of the option is more than Rs. 1050 being the total of the strike price and the premium thereon. If on the date of expiry of the option the stock price is below Rs. 1000, the Scheme will not exercise the option while it loses the premium of Rs. 50.

## Risks

In case of buying options either call/put, the maximum loss would be the premium paid in case of options expiring out of the money.

Put Option (Buy): The Scheme buys a Put Option at Rs. 1000 by paying a premium of say Rs. 50. If the stock price goes down to Rs. 900, the Scheme would protect its downside and would only have to bear the premium of Rs. 50 instead of a loss of Rs. 100, whereas if the stock price moves up to say Rs. 1100 the Scheme may let the Option expire and forego the premium thereby capturing Rs. 100 upside after bearing the premium of Rs.50.

Put Option (Buy): The Scheme buys at the money Put Option by paying a premium of Rs 50 for a stock trading at Rs. 1000. If the market price of the stock at expiry goes down to Rs. 900, the Scheme benefits to the extent of Rs 50 i.e Rs 100 from the price movement minus Rs 50 premium paid, whereas if the stock price moves up to say Rs. 1100 the Scheme may let the Option expire and forego the premium of Rs.50.

## Risks

In case of buying options either call / put, the maximum loss would be the premium paid in case of options expiring out of the money.

The above option positions can be initiated in both index based options as well as stock specific options. Permissible strategies involving index options and stock specific options would be the same as that of index futures and stock specific futures respectively.

The AMC retains the right to enter into such derivative transactions and to such extent as may be permitted by the applicable regulations from time to time.

## Other Risk factors

- **Credit Risk:** The credit risk is the risk that the counter party will default on obligations and is generally negligible, as there is no exchange of principal amounts in a derivative transaction.
- **Market Risk:** Derivatives carry the risk of adverse changes in the market price.
- **Illiquidity Risk:** The risk that a derivative cannot be sold or purchased quickly enough at a fair price, due to lack of liquidity in the market.

## Valuation of Derivative Products:

- a) The traded derivatives shall be valued at market price in conformity with the stipulations of sub clauses (i) to (v) of clause 1 of the Eighth Schedule to the SEBI Regulations, as amended from time to time.
- b) The valuation of untraded derivatives shall be done in accordance with the valuation method for untraded investments prescribed in sub clauses (i) and (ii) of clause 2 of the Eighth Schedule to the SEBI Regulations as amended from time to time.

## D. WHAT ARE THE INVESTMENT STRATEGIES?

The Mutual Fund may invest in any of the following securities or a combination of the following securities subject to the Regulations and the investment objectives and the terms of the respective schemes set out elsewhere in the Scheme Information Document.

The corpus of the Schemes will be invested in equity, equity related instruments, derivatives such as futures and options and fixed income securities.

Besides the above, the following will be the broad investment strategies.

### i) JM Arbitrage Advantage Fund

JM Financial Mutual Fund adopts a scientific approach to investments. Securities are selected for various funds by the fund managers based on a continuous study of trends in industries and companies, including management capabilities, global competitiveness, earning power, growth features and other relevant investment criteria. The Fund Manager would identify opportunities for mis-pricing and execute the deals simultaneously in both the markets. In terms of the SEBI guidelines the scheme shall not short sell in the cash market at all times. Due to mis-pricing between the cash and the underlying derivative security, the fund manager shall deploy investments in securities accordingly.

### ii) JM Balanced Fund

In order to stabilize equity volatility, JM Balanced Fund seeks a judicious mix of debt securities in its portfolio. The scheme, under normal circumstances, will seek to invest between 65% - 75% of its assets in equity markets and the balance in debt and money market securities.

The fund, while at all times emphasizing on a long term investment approach, will take advantage of the trading opportunities that present themselves from time to time because of inefficiencies in securities market with a view to booking short term profits. Portfolio turnover will therefore depend upon the circumstances prevalent at any time. However, this allocation is not absolute and the fund manager may take a defensive view on the equity markets and reallocate the assets for a short term period. Due to market fluctuations, if the equity component of the Portfolio goes above 75%, the fund manager shall balance the Portfolio in order to bring down the equity component.

### iii) JM Basic Fund

Under normal circumstances, the corpus would be invested in equities and equity related securities categorized under "basic industry" in the normal parlance and in context of the Indian economy, including but not limited to, energy, petrochemicals, oil & gas, power generation & distribution and electrical equipment suppliers, metals and building materials. The fund would continue to remain open-

ended with a sector focus. Exposure of investment in individual scrip, if forming a part of the Sectoral Index, shall not be restricted to 10% of NAV as Clause 10 of Seventh Schedule of SEBI Regulations has clarified that the limit of 10 percent shall not be applicable for investments in index fund or sector or industry specific scheme.

**iv) JM Core 11 Fund**

The primary investment objective of the scheme is to generate returns by investing predominantly in a concentrated portfolio of equity/equity related instruments of companies. The Scheme will have a concentrated portfolio with not more than 11 stocks in the portfolio with each stock being invested to the extent of 9.09% of the NAV of the Scheme. The Scheme will have no market capitalization or sector restrictions. The portfolio will be rebalanced on a fortnightly basis so as to prevent any one stock going above the targeted concentration range. To prevent stagnancy of the portfolio, the portfolio will be reviewed on a half yearly basis whereby some stocks would be replaced.

**v) JM Equity Fund**

Being a growth oriented scheme, JM Equity Fund seeks to invest a substantial portion of its portfolio in equity and equity related instruments. Under normal circumstances, around 80% of the corpus shall be deployed in such securities and the balance in debt/ money market instruments. However, whenever the valuations of securities rise in a sharp manner, the AMC may take advantage of trading opportunities presented and in such a scenario, the Fund may have a high turnover rate.

**vi) JM Multi Strategy Fund**

The Scheme proposes to invest primarily in equities and equity related securities using a combination of strategies. Depending on the prevailing market conditions, the Scheme will either adopt the growth or value style of investing. During benign market conditions, the Scheme will act like an aggressive growth fund with a concentrated portfolio of say 25 – 30 stocks with a targeted portfolio beta of greater than 1 whereas in a bearish market the Scheme will have a low volatility conservative portfolio of larger number of stocks in the range of 40 to 60 stocks with a targeted portfolio beta of less than 1. The Scheme may also keep a portion of the corpus in cash for short term defensive considerations.

The investment strategy is explained in greater detail below

The Fund Manager may regularly churn the portfolio of the Scheme in order to achieve the investment objective and as such the portfolio turnover ratio could be high.

Normally schemes of mutual funds will tend to have a static strategy, for example a small and mid cap fund will be focused on investing in the small and mid capitalization companies. On the other hand there might be theme based funds like infrastructure or services sector funds which focus on a particular part of the market. Similarly there might be large cap, mid cap and small cap funds.

A Multi strategy fund is one which by its mandate will tend not to have a static strategy but a strategy which is more dynamic where the fund management team of the AMC will take a call on the direction and momentum of the market at periodic intervals, which might be 3-6 months and decide on a strategy which will be followed for the ensuing period and the strategy might change or remain the same subsequently depending on the fund management teams view on how the markets are likely to behave subsequently.

In periods of time when the fund management team is of the view that the markets are likely to exhibit strong upward momentum the fund will predominantly invest in high growth stocks and have a relatively compact portfolio of 25-30 stocks. It will target to have a beta of more than one under these circumstances. Essentially the targeted beta of the portfolio will be important in this kind of fund as beta essentially will reflect the degree of correlation and volatility of the portfolio vis-a-vis the movement of the markets and in case the view is that markets are likely to trend up positively it will make sense to have a higher beta as under the circumstances the fund should be able to outperform the markets in case the view proves to be right.

The targeted portfolio beta will essentially be a weighted average of the beta of individual stocks in the portfolio, so essentially the fund manager will try to pick up a majority of stocks which have a beta of more than one. This will also increase the volatility of the portfolio. In periods of time when the fund management team is of the view that the markets are likely to be uncertain and the downside risk might be higher than the upside and the economic environment is uncertain the fund will convert itself into a value driven diversified portfolio fund with the number of stocks being in the range of 40-60. The fund will target to have a beta of lower than one under these circumstances so that in case of a downside the loss is lower. The fund will also move its portfolio into more consistent growth defensive stocks where the risks to earnings growth is lower. These measures will help to reduce the volatility of the portfolio and protect investor returns under uncertain circumstances. Spreading the portfolio over a larger basket of stocks will also reduce stock specific risks.

By having a multi strategy approach to managing the fund the aim of the fund is to be true to the economic momentum and market momentum in various time cycles. Since an open ended fund will face various kinds of economic and market cycles this strategy is directed towards outperforming the markets in the long run.

As mentioned above, the Scheme would invest in growth style of investing during benign market conditions i.e. when the fund management team is of the view that the economy is likely to grow strongly, inflation and interest rate scenario is expected to remain benign and the markets are likely to exhibit strong upward momentum. The scheme will invest in value style of investing during bearish market conditions i.e. In periods of time when the fund management team is of the view that the economy is likely to slow down, interest rates and inflation are likely to trend up and earnings growth is likely to slowdown and the view is that markets are likely to be uncertain and the downside risk might be higher than the upside.

## Definition of beta

Beta is the quantitative measure of the volatility of a given stock, mutual fund, or portfolio, relative to the overall market.

Specifically, the performance of the stock, fund or portfolio in a particular time period during which the benchmark (BSE 500) increased or decreased by 1%. A beta of above 1 is more volatile than the overall market, while a beta of below 1 is less volatile.

### The mathematical formula is:

$$\text{beta} = [\text{Cov}(r, K_m)] / [\text{StdDev}(K_m)]^2$$

where

r is the return rate of the investment;

K<sub>m</sub> is the return rate of the asset class.

If the asset class is well chosen so that the return fluctuations of the investment and the class are highly correlated, then the formula approximates "the volatility of the investment divided by the volatility of the class."

Elaboration of "beta" in the context of the Scheme

In periods of time when the fund management team is of the view that the markets are likely to exhibit strong upward momentum the fund will predominantly invest in high growth stocks and have a relatively compact portfolio of 25-30 stocks. It will target to have a beta of more than one under these circumstances. Essentially the targeted beta of the portfolio will be important in this kind of fund as beta essentially will reflect the degree of correlation and volatility of the portfolio vis a vis the movement of the markets and in case the view is that markets are likely to trend up positively it will make sense to have a higher beta as under the circumstances the fund should be able to outperform the markets in case the view taken is right.

The targeted portfolio beta will essentially be a weighted average of the beta of individual stocks in the portfolio, so essentially the fund manager will try to pick up a majority of stocks which have a beta of more than one. This will also increase the volatility of the portfolio.

In periods of time when the fund management team is of the view that the markets are likely to be uncertain and the downside risk might be higher than the upside and the economic environment is uncertain the fund will convert itself into a value driven diversified portfolio fund with the number of stocks being in the range of 40-60. The fund will target to have a beta of lower than one under these circumstances so that in case of a downside the loss is lower. The fund will also move its portfolio into more consistent growth defensive stocks where the risks to earnings growth are lower.

These measures will help to reduce the volatility of the portfolio and protect investor returns under uncertain circumstances. Spreading the portfolio over a larger basket of stocks will also reduce stock specific risks.

### Investment Strategy applicable to all schemes:

#### (i) Scientific approach to investment

The Mutual Fund adopts a scientific approach to investments. Securities are selected for various funds by the fund managers based on a continuous study of trends in industries and companies, including management capabilities, global competitiveness, earning power, growth / payout features and other relevant investment criteria, which would, inter-alia include evaluation of the outlook of the economy, exposure to various industries and geographical regions, evaluation of the intrinsic worth of specific opportunities such as primary market transactions, private placements, trading opportunities etc.

#### (ii) Liquidity Management

The Fund Manager may invest in short term deposits of scheduled commercial banks pending deployment of funds in line with SEBI Circular no. SEBI/IMD/CIR No. 1/ 91171 /07 dated April 16, 2007, till suitable opportunities are present. The Scheme may also keep a portion in cash or near cash for meeting the expenses of the Scheme.

#### (iii) Mode of Investment

The securities in which the investment manager may invest would be through primary as well as secondary market, private placement etc. These securities may be those listed on various stock exchanges as well as unlisted securities.

#### (iv) Procedure for taking investment decisions

The investment policy of the AMC has been determined by the Investment Advisory Committee ("IAC") which has been approved by the Boards of the AMC and Trustee. At the strategic level, the broad investment philosophy of the AMC and the authorised exposure limits are spelt out in the Investment Policy of the Mutual Fund and the SEBI Regulations. During trading hours, the Fund Managers have the discretion to take investment decisions for the Scheme within the limits defined in the SEBI Regulations and the Investment Policy of the Mutual Fund.

The designated Fund Manager of the Scheme will be responsible for taking day-to-day investment decisions and will inter-alia be responsible for asset allocation, security selection and timing of investment decisions.

### PORTFOLIO TURNOVER POLICY

The Schemes will invest with a long-term outlook on the equity market; however, as and when trading opportunities arise in the market where, in the opinion of the fund manager there is an opportunity to enhance the total return of the portfolio, the Schemes may take trading exposure which may result in high portfolio turnover.

## INTER SCHEME INVESTMENTS

The Scheme may invest in other Schemes managed by the AMC or in the Schemes of any other Mutual Funds, provided it is in conformity with the investment objectives of the investor Scheme and in terms of the prevailing SEBI Regulations. As per the SEBI Regulations, no investment management fees will be charged for such investments and the aggregate inter Scheme investment made by all Schemes of JM Financial Mutual Fund or in the Schemes under the management of other asset management companies shall not exceed 5% of the net asset of the Mutual Fund as on date of investments.

### IMPORTANT

It must be clearly understood that the above referred portfolio strategies are not absolute, and that they can vary substantially depending upon the Fund Manager's perception as to whether the stock/debt market is in an overheated state or has fallen well below a level they consider appropriate taking into account the factors prevailing at that time, the intent being to protect the Unitholders interest, especially the NAV of the Fund.

The Fund Manager may, from time to time, at its' absolute discretion review and modify the strategy, provided such modification is in accordance with the Investment Objective of the Scheme and SEBI Regulations.

### E: FUNDAMENTAL ATTRIBUTES

In other words, redemption or switch out of units will be processed only if the funds for such units are realized in the scheme, by way of payment instructions/transfer or switch-in funding process.

Further, all switch funding shall be in line with redemption funding timelines adopted by the concerned scheme i.e. if a scheme follows T+3 payout for redemption, the switch out funding will also be made on T+3 and not earlier or later than T+3, where T is the day of transaction.

Unit holders shall further note that the AMC at its sole discretion, may process redemption/switch-out request partially, if funds for part of the units being redeemed/switched-out are realised.

**Aggregate fees and expenses charged to the scheme.**

Direct Plan shall have a lower expense ratio excluding distribution expenses, commission, etc and no commission for distribution of Units will be paid / charged under Direct Plan.

The aggregate of the Investment Management & Advisory Fee charged by JMF AMC and the Expenses will remain within the maximum permissible TER as per Regulation 52 of the Regulations, as amended from time to time.

As per the Regulations, the maximum recurring expenses including investment management and advisory fee that can be charged to the Scheme shall be subject to a percentage limit of daily net assets as in the table below:

First Rs. 100 crores	Next Rs. 300 crores	Next Rs. 300 crores	On the balance assets
2.50%	2.25%	2.00%	1.75%

Subject to the overall ongoing fees and expenses which would be charged to the Scheme not exceeding the limit laid down under Regulation 52(6) [as reproduced above], the AMC may at its discretion charge to the Scheme the Government levies in the form of any charges or applicable taxes including applicable surcharge either presently payable or which may be imposed in future. Currently, the Government has imposed Service Tax of 15% (including Swachh Bharat Cess & Krishi Kalyan Cess) on the Management and Trustee Fees.

In addition to the limits as specified in Regulation 52(6) of SEBI Regulations, the following costs or expenses can be charged to the schemes of the Mutual Fund:

1. Additional TER of up to 30 basis points on daily net assets of the scheme as per regulation 52 of SEBI (Mutual Funds) Regulations, 1996 if the new inflows from beyond top 15 cities\* received by JMF are at least (a) 30% of gross new inflows in the scheme or (b) 15% of the average assets under management (year to date) of the scheme, whichever is higher.

In case the inflows from beyond top 15 cities is less than the higher of (a) or (b) above, then additional TER can be charged on pro rata basis.

The additional TER on account of inflows from beyond top 15 cities so charged shall be clawed back in case the same is redeemed within a period of 1 year from the date of investment.

The amount so charged shall be utilised for distribution expenses incurred for bringing inflows from such cities.

\* The top 15 cities shall mean top 15 cities based on Association of Mutual Funds in India (AMFI) data on 'AUM by Geography – Consolidated Data for Mutual Fund Industry' as at the end of the previous financial year.

2. Additional expenses not exceeding 0.20 per cent of daily net assets of the scheme, incurred towards different heads mentioned under sub-regulations (2) and (4) of Regulation 52.

The brokerage and transaction costs which are incurred for the purpose of execution of trade and is included in the cost of investment shall not exceed 0.12% in case of cash market transactions and 0.05% in case of derivative transactions.

Any payment towards brokerage and transaction cost, over and above the said 12 bps and 5bps for cash market transactions and derivatives transactions respectively may be charged to the scheme within the maximum limit of Total Expense Ratio (TER) as prescribed under regulation 52 of the SEBI (Mutual Funds) Regulations, 1996.

Service tax on investment and advisory fees will be charged to the scheme in addition to the maximum limit of TER as per Regulation 52 of the Regulations.

Service tax on other than investment and advisory fees, if any, shall be borne by the scheme within the maximum limit of TER, as per Regulation 52 of the Regulations.

Service tax on exit load, if any, shall be paid out of the exit load proceeds and exit load net of service tax, if any, shall be credited back to the scheme.

The AMC shall annually set apart 2 basis points on daily net assets within the maximum limit of TER as per Regulation 52 of the Regulations, for investor education and awareness initiatives.

Further, as and when permitted by SEBI, the AMC may charge a higher fee for that part of the assets which are invested overseas. However, revision in fee charged shall be within the SEBI Regulations at all times.

For the actual current expenses being charged, the investor should refer to the website of the mutual fund.

The expense ratios will be updated on the Mutual Fund website viz. [www.jmfinancialmf.com](http://www.jmfinancialmf.com) within two business days of the change.

**PROCESS TO BE FOLLOWED FOR CHANGE IN FUNDAMENTAL ATTRIBUTES OF A SCHEME**

In accordance with Regulation 18(15A) of the SEBI (MF) Regulations, the Trustees shall ensure that no change in the fundamental attributes of the Scheme(s) and the Plan(s) / Option(s) thereunder or the trust or fee and expenses payable or any other change which would modify the Scheme(s) and the Plan(s) / Option(s) thereunder and affect the interests of Unitholders is carried out unless:

- A written communication about the proposed change is sent to each Unitholder and an advertisement is given in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of the region where the Head Office of the Mutual Fund is situated; and
- The Unitholders are given an option for a period of 30 days to exit at the prevailing Net Asset Value without any exit load.

Fundamental attributes will not cover such actions of the Trustees of the Mutual Fund or the Board of Directors of the Asset Management Company, made in order to conduct the business of the Trust, the Scheme or the Asset Management Company, where such business is in the nature of discharging the duties and responsibilities with which they have been charged. Nor will it include changes to the Scheme made in order to comply with changes in regulation with which the Scheme has been required to comply.

**F. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?**

The performances of the schemes of the Mutual Fund are reviewed by the Investment Advisory Committee ("IAC") as well as the Boards of the AMC and Trustee periodically. The IAC is operational at the AMC level and has majority representation from the independent Directors. Monthly reports on the performance of the schemes with appropriate benchmark indices as also with the relative performance of the schemes of other mutual funds schemes in the same category is placed before the Boards of the AMC and Trustee. Further, in terms of SEBI Circular No.MFD/CIR/16/400/02 dated March 26, 2002, the performance of the Scheme compared to its benchmark index will be reviewed at every meeting of the Boards of the AMC and Trustee and corrective action as proposed will be taken in case of unsatisfactory performance.

Scheme	Index
JM ARBITRAGE ADVANTAGE FUND	CRISIL LIQUID FUND INDEX
JM BALANCED FUND	CRISIL BALANCED FUND INDEX
JM BASIC FUND	BSE 200
JM Core 11 FUND	BSE SENSEX
JM EQUITY FUND	BSE SENSEX
JM MULTI STRATEGY FUND	BSE 500
JM TAX GAIN FUND	BSE 500

In terms of SEBI Circular No.MFD/CIR/01/071/02 dated April 15, 2002, the AMC and Trustee may change the benchmark index or select an additional benchmark index after recording adequate justification for carrying out such change. However, change of benchmark index and/or selecting additional benchmark indices would be done in complete compliance of the relevant guidelines of SEBI in this regard.

#### H. WHAT ARE THE INVESTMENT RESTRICTIONS?

The relevant restrictions applicable to the Scheme of the Fund as per the Seventh Schedule of SEBI Regulations are as follows:

- A mutual fund scheme shall not invest more than 10% of its NAV in debt instruments comprising money market instruments and non-money market instruments issued by a single issuer which are rated not below investment grade by a credit rating agency authorised to carry out such activity under the Act. Such investment limit may be extended to 12% of the NAV of the scheme with the prior approval of the Board of Trustees and the Board of directors of the asset management company:

Provided that such limit shall not be applicable for investments in Government Securities, treasury bills and collateralized borrowing and lending obligations:

Provided further that investment within such limit can be made in mortgaged backed securitised debt which are rated not below investment grade by a credit rating agency registered with the Board:

Provided further that the schemes already in existence shall within an appropriate time and in the manner, as may be specified by the Board, conform to such limits.
- A mutual fund scheme shall not invest more than 10% of its NAV in unrated debt instruments issued by a single issuer and the total investment in such instruments shall not exceed 25% of the NAV of the scheme. All such investments shall be made with the prior approval of the Board of Trustees and the Board of asset management company.

Mutual Funds/AMCs shall ensure that total exposure of debt schemes of mutual funds in a group (excluding investments in securities issued by Public Sector Units, Public Financial Institutions and Public Sector Banks) shall not exceed 20% of the net assets of the scheme.

Such investment limit may be extended to 25% of the net assets of the scheme with the prior approval of the Board of Trustees.

For this purpose, a group means a group as defined under regulation 2 (mm) of SEBI (Mutual Funds) Regulations, 1996 (Regulations) and shall include an entity, its subsidiaries, fellow subsidiaries, its holding company and its associates.
- No mutual fund under all its schemes should own more than ten per cent of any company's paid up capital carrying voting rights.
- Transfers of investments from one scheme to another scheme in the same mutual fund shall be allowed only if,—

  - such transfers are done at the prevailing market price for quoted instruments on spot basis.

Explanation.—“Spot basis” shall have same meaning as specified by stock exchange for spot transactions;

  - the securities so transferred shall be in conformity with the investment objective of the scheme to which such transfer has been made.
- A scheme may invest in another scheme under the same asset management company or any other mutual fund without charging any fees, provided that aggregate interscheme investment made by all schemes under the same management or in schemes under the management of any other asset management company shall not exceed 5% of the net asset value of the mutual fund :

Provided that this clause shall not apply to any fund of funds scheme.
- Every mutual fund shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relevant securities and in all cases of sale, deliver the securities:

Provided that a mutual fund may engage in short selling of securities in accordance with the framework relating to short selling and securities lending and borrowing specified by the Board:

Provided further that a mutual fund may enter into derivatives transactions in a recognized stock exchange, subject to the framework specified by the Board.

Provided further that sale of government security already contracted for purchase shall be permitted in accordance with the guidelines issued by the Reserve Bank of India in this regard.
- Every mutual fund shall get the securities purchased or transferred in the name of the mutual fund on account of the concerned scheme, wherever investments are intended to be of long-term nature.
- Pending deployment of funds of a scheme in terms of investment objectives of the scheme, a mutual fund may invest them in short term deposits of schedule commercial banks, subject to such Guidelines as may be specified by the Board.

9. No mutual fund [scheme] shall make any investment in,—
  - (a) any unlisted security of an associate or group company of the sponsor; or
  - (b) any security issued by way of private placement by an associate or group company of the sponsor; or
  - (c) the listed securities of group companies of the sponsor which is in excess of 25 per cent of the net assets.
10. No scheme of a mutual fund shall make any investment in any fund of funds scheme.
11. No mutual fund scheme shall invest more than 10 per cent of its NAV in the equity shares or equity related instruments of any company: Provided that, the limit of 10 per cent shall not be applicable for investments in case of index fund or sector or industry specific scheme.
12. A mutual fund scheme shall not invest more than 5% of its NAV in the unlisted equity shares or equity related instruments in case of open ended scheme and 10% of its NAV in case of close ended scheme.
13. A fund of funds scheme shall be subject to the following investment restrictions:
  - (a) A fund of funds scheme shall not invest in any other fund of funds scheme;
  - (b) A fund of funds scheme shall not invest its assets other than in schemes of mutual funds, except to the extent of funds required for meeting the liquidity requirements for the purpose of repurchases or redemptions, as disclosed in the offer document of fund of funds scheme.
14. The Mutual Fund having an aggregate of securities which are worth Rs.10 crores or more, as on the latest balance sheet date, shall subject to such instructions as may be issued from time to time by SEBI, settle their transactions entered on or after January 15, 1998 only through dematerialised securities. Further, all transactions in government securities shall be in dematerialised form.  
 The Scheme will comply with SEBI regulations and any other Regulations applicable to the investments of Funds from time to time. The Trustee may alter the above restrictions from time to time to the extent that changes in the Regulations may allow. All investment restrictions shall be applicable at the time of making investment.  
 The Fund can invest in securities that are rated by CRISIL and ICRA and other independent credit rating agencies.  
 All investment restrictions shall be applicable at the time of making investments

#### **INVESTMENTS IN DERIVATIVES**

In accordance with SEBI Circular Cir/ IMD/ DF/ 11 / 2010 dated August 18, 2010, the following clauses shall be inserted in the Scheme Information Documents of all the schemes of JM Financial Mutual Fund under the head “What are the Investment Restrictions”

1. The cumulative gross exposure through equity, debt and derivative positions should not exceed 100% of the net assets of the scheme.
2. The Scheme shall not write options or purchase instruments with embedded written options.
3. The total exposure related to option premium paid shall not exceed 20% of the net assets of the scheme.
4. Exposure due to hedging positions may not be included in the above mentioned limits subject to the following :
  - a. Hedging positions are the derivative positions that reduce possible losses on an existing position in securities and till the existing position remains.
  - b. Hedging positions shall not be taken for existing derivative positions. Exposure due to such positions shall be added and treated under limits mentioned in Point 1.
  - c. Any derivative instrument used to hedge has the same underlying security as the existing position being hedged.
  - d. The quantity of underlying associated with the derivative position taken for hedging purposes does not exceed the quantity of the existing position against which hedge has been taken.
5. The Scheme may enter into plain vanilla interest rate swaps for hedging purposes. The counter party in such transactions has to be an entity recognized as a market maker by RBI. Further, the value of the notional principal in such cases shall not exceed the value of respective existing assets being hedged by the scheme. Exposure to a single counterparty in such transactions should not exceed 10% of the net assets of the scheme.
6. Exposure due to derivative positions taken for hedging purposes in excess of the underlying position against which the hedging position has been taken, shall be treated under the limits mentioned in point 1.  
 Definition of Exposure in case of Derivative Positions
7. Each position taken in derivatives shall have an associated exposure as defined under and will be computed as follows:

<b>Position</b>	<b>Exposure</b>
Long Future	Futures Price * Lot Size * Number of Contracts
Short Future	Futures Price * Lot Size * Number of Contracts
Option bought	Option Premium Paid * Lot Size * Number of Contracts.

The derivative transactions shall also be disclosed in the half yearly portfolio/ annual report of the schemes in the specified format.

**INVESTMENT BY AMC**

The AMC and investment companies managed by the Sponsor(s), their affiliates, their associate companies and subsidiaries may invest either directly or indirectly in the Schemes. The AMC shall not charge any fees on investment made by it in the units of the Schemes in accordance with sub-regulation 3 of Regulation 24 of the Regulations and shall charge fees on such amounts in future only if the SEBI Regulations so permit. The maximum amount the AMC can invest in any of the schemes shall be its networth. The affiliates, associates, the Sponsor, subsidiaries of the Sponsor and/or the AMC may acquire a substantial portion of the Scheme's units and collectively constitute a major investment in the Schemes. Consequently in the event of repurchase of units held by such affiliates/associates and Sponsor, there be an adverse impact on the units of the Scheme as the timing of such repurchase may impact the ability of other unitholders to repurchase their units. The AMC reserves the right to invest its own funds in the Scheme as may be decided by the AMC from time to time.

**INVESTMENTS IN ADRS / GDRS/ OVERSEAS SECURITIES :**

It is the AMC's belief that the investment in ADRs/GDRs/overseas securities offer new investment and portfolio diversification opportunities into multi-market and multi-currency products. However, such investments also entail additional risks. Such investment opportunities may be pursued by the AMC in the future provided they are considered appropriate in terms of the overall investment objectives of the schemes. The Schemes may then, if necessary, seek permission from SEBI and RBI to invest abroad in accordance with the investment objectives of the Scheme and in accordance with any guidelines issued by SEBI / RBI / any other relevant regulatory authority from time to time.

Since the Schemes would invest only partially in ADRs/GDRs/overseas securities, there may not be readily available and widely accepted benchmarks to measure performance of the Schemes. To manage risks associated with foreign currency and interest rate exposure, the Fund may use derivatives for efficient portfolio management including hedging and in accordance with conditions as may be stipulated by SEBI/RBI any other relevant regulatory authority from time to time.

In case the Scheme intends to invest in ADRs / GDRs, the specific guidelines laid down by SEBI for making investments in ADRs / GDRs vide its circular no. SEBI/IMD/Cir no. 7/73202/06 dated August 2, 2006 as modified by SEBI circular no. SEBI/IMD/CIR No.13/83589/07 dated January 4, 2007 will be adhered to. The AMC will appoint a dedicated Fund Manager for making investments in the above securities and adequate disclosure to that effect shall be made vide an addendum to the Offer Document and Key Information Memorandum of the Scheme.

Before making investments in ADRs / GDRs, the Boards of the AMC and Trustee shall prescribe detailed parameters for making such investments. The Boards shall also satisfy themselves that the AMC has experienced key personnel, research facilities and infrastructure for making such investments. Similarly, other specialized agencies and service providers associated with such investments, e.g. custodian, bank, advisors, etc. having adequate expertise and infrastructure facilities and past track record of performance and compliance shall be considered by the Boards.

**EXPOSURE TO FOREIGN SECURITIES:**

Under normal circumstances the scheme shall not have an exposure of more than 25% of its net assets in foreign securities. However, the AMC with a view to protecting the interests of the investors, may increase exposure in foreign securities as deemed fit from time to time; but such investment will not exceed the limits laid down by SEBI / RBI / any other relevant regulatory authority in this respect from time to time. The Mutual Fund shall not invest more than 10% of its Net Assets as on January 31st of each relevant year, in foreign securities.

**RISK FACTORS:**

To the extent that the assets of the Scheme are invested in securities denominated in foreign currencies, the Indian Rupee equivalent of the net assets may be adversely affected by changes in the value of certain foreign currencies relative to Indian Rupee. The repatriation of capital to India may also be hampered by changes in regulations concerning exchange controls or political circumstances as well as the application to it of other restrictions on investment.

**STOCK LENDING BY THE MUTUAL FUND**

Subject to the SEBI Regulations as applicable from time to time, the Fund may, if the Trustee permits, engage in Stock Lending. Stock Lending means the lending of securities to another person or entity for a fixed period of time, at a negotiated compensation in order to enhance returns of the portfolio. The securities lent will be returned by the borrower on the expiry of the stipulated period. The AMC will adhere to strict limits should it engage in Stock Lending.

1. Not more than 25% of the net assets of the Scheme can generally be deployed in Stock Lending.
2. Not more than 5% of the net assets of the Scheme can generally be deployed in Stock Lending to any single counter party.

The Fund may not be able to sell such lent out securities and this can lead to temporary illiquidity.

In respect of valid applications received after 3 p.m. by the Mutual Fund, the closing NAV of the next business day shall be applicable.</p> <p>It is clarified that the cut off timings will also be applicable to investments made through "sweep" mode.</p> <p><b>Redemption/Switch Provisions:</b></p> <p>Investors are requested to note that in case of redemption/switch request, if the number of units or the amount to be redeemed/switched out to any other Scheme of JM Financial Mutual Fund, exceeds the number of outstanding units or value of outstanding units, respectively, then JM Financial Asset Management Limited (the "AMC") shall, at its discretion, redeem/switch out all the outstanding units, if no clarificatory letter is received from the respective investor on the date of the transaction.</p>
<p>Cut off timing for subscriptions/ redemptions/ switches</p> <p>This is the time by which your application (complete in all respects) should reach the official points of acceptance.</p>	<p>To be time stamped by 3.00 p.m.</p> <p><b>Exchange Platforms:</b></p> <p>The cut – off timing and applicability of Net Asset Value (NAV) shall be subject to the guidelines issued by SEBI in this regard. With respect to investors who transact through stock exchange, applicable NAV shall be reckoned on the basis of the time stamping as evidenced by confirmation slip given by stock exchange mechanism and subject to receipt of funds by AMC/Mutual Fund before the cut – off time of the respective schemes.</p>
<p>Where can the applications for purchase/redemption switches be submitted?</p>	<p>The details of official points of acceptance are set out on the back cover page.</p>
<p>Minimum amount for purchase/redemption/switches</p>	<p>The table on minimum investment amounts for the respective schemes under this Scheme Information Document is set out elsewhere in the document.</p> <p>Minimum amount of Rs. 5,000/- per Plan / Option and in multiples of any amount thereafter (Rs. 500 for JM Tax Gain Fund) in case of first time investments. For ongoing investments in an existing folio, the investment would be Rs. 1,000/- and in multiples of any amount thereafter except JM Tax Gain Fund where it should be Rs. 500 and in multiples of Rs. 500. However, there is no upper limit for investment. The minimum investment is applicable at the respective Plans / Options/ Sub- options level i.e. Growth, Dividend etc. and will be considered at gross level after taking into account permissible DD charges etc.</p> <p>Minimum redemption from existing Unit Accounts for normal transactions other than through STP/SWP would be:</p> <ol style="list-style-type: none"> <li>Rs. 500 and any amount thereafter OR</li> <li>50 units or any number of units there after subject to keeping a minimum balance of 500 units or Rs. 5000/- whichever is less.</li> <li>The entire outstanding investment in case the available balance is less than a) and b) above.</li> </ol>

	<p>In the event of remaining balance (for investment other than through SIP/ STP/ SWP) falling below the minimum balance of 500 units or Rs. 5000 (Which ever is less) while processing redemption/switch requests, the entire outstanding units may be redeemed.No switches will be effected if the switched out proceeds do not meet the minimum investment criteria of the switched in scheme.</p> <p>A unitholder of the Scheme, may at any point in time, redeem his/ her full investment in the Scheme.</p> <p>In case of difference/ ambiguity in the amount and units mentioned in any request for Redemption/ Switch, the minimum value (of units and amount) on rupee equivalent basis on the Transaction/ applicable NAV date will be considered by the AMC, provided the investor has not furnished any clarification in writing, duly signed on the date of transaction. However, this will again be subject to the above requirement of minimum balance holding. In the event of investor not having filled in the Amount/ Units in the Transaction Slip, the AMC will redeem/ switch out all the outstanding units in case the Scheme, Plan, Option are clearly mentioned.</p> <p>In case, the investor has not mentioned the plans/ sub-plans etc. in the redemption request specifically where he is having holdings in various plans/ sub-plans etc. of the particular scheme, AMC will summarily reject such redemption request if the investor has not furnished any clarification in writing, duly signed on the date of transaction itself, during normal office hours.</p>
	<p><b>In case of Direct Plan:</b></p> <p>Where Units under a Scheme are held under both Normal and Direct Plans and the redemption / Switch request pertains to the Direct Plan, the same must clearly be mentioned on the request (along with the folio number).</p> <p>In the event of the investor not clearly mentioning the name of the Plan (Normal or Direct)/ Option/ Sub-option/or wherever there is an ambiguity in choice of Plan (Normal or Direct)/ Option/ Sub-option opted for in the request for redemption/switch-out of all/specified amount/units, in the absence of clarificatory letter from the investor on the day of the transaction, the AMC/ Registrar reserves the right to process the redemption/ switch out request from the Normal Plan or Direct Plan if such redemption request can be processed in totality. In such case, the redemption will first be effected from the Normal Plan.</p> <p>E.g. If an investor has investment of Rs. 5 lakh in an Normal Plan and Rs. 10 lakh in the Direct Plan and a redemption request is received from him for redemption of Rs. 2 lakh without indicating which Plan the redemption is to be effected from, the AMC/ Registrar will effect the redemption from the Normal Plan. In the same example, if the redemption request was for Rs. 7 lakh, the redemption would be effected from the Direct Plan.</p> <p>However, in case it is not possible to effect the redemption from any one of the Plans in totality i.e. either from the Normal or from the Direct Plan, such redemption request will be treated as void ab-initio and rejected.</p> <p>E.g. If the redemption request in the above example is for Rs. 12 lakh, the AMC / Registrar will summarily reject the redemption request.</p> <p>Where units are held under any one i.e. under Normal or Direct Plan, the redemption will be processed from such Plan.</p>

<p>Minimum balance to be maintained and consequences of non maintenance.</p>	<p>The Fund reserves the right to redeem the entire units lying to the credit of the Unitholder's account if</p> <ul style="list-style-type: none"> <li>• after redemption/ switch out, the amount/ units remaining to the credit of the Unitholder's account falls below the minimum balance of 500 units; or Rs. 5000/-</li> <li>• the redemption / switch out request amount exceeds the balance lying to the credit of the Unitholder.</li> </ul> <p>The number of Units so redeemed will be subtracted from the Unitholder's account and a statement to this effect will be issued to the Unitholder.</p> <p>The Unitholders may also request for repurchase of their entire holding and close the account by indicating the same at the appropriate place in the Transaction Slip/Repurchase form.</p>
<p>Special Products available</p>	<p>SIP/ STP/ SWP</p>
<p>Accounts Statements/ Common Account Statement ("CAS")</p>	<p>For normal transactions (other than SIP/STP) during ongoing sales and repurchase:</p> <ul style="list-style-type: none"> <li>• The AMC shall issue to the investor whose application has been accepted, an account statement / CAS specifying the number of units allotted. The first account statement under SIP/STP/SWP shall be issued within 10 Business Days of the initial investment/transfer.</li> <li>• In case, an investor has provided his e-mail ID in the application form or any subsequent communication, in any of the folio(s) belonging to him/her, the AMC reserves the right to use such e-mail ID as a default mode of communication to the investor including sending of account statements / CAS for the new and existing investments for folio(s)/ investor(s) concerned. However, the AMC or Registrar &amp; Transfer Agent will, on receipt of specific request, endeavour to provide the physical account statement to the investor within 5 business days from the receipt of such request, in terms of SEBI circular No. IMD/CIR/12/80083/2006 dated November 20, 2006, on a case to case basis.</li> <li>• The unitholder may request for a physical account statement by writing/ calling the AMC/ ISC/ R&amp;T. The Fund shall provide the account statement to the investors within 5 business days from the receipt of such request without any charges. 	<p>However, in case of specific request received from investors, the Fund shall provide the account statement to the investors within 5 business days from the receipt of such request without any charges. Further, soft copy of the account statement shall be mailed to the investors under STP/SWP to their e-mail address on a monthly basis, if so mandated.</p>
	<p><b>Consolidated Account Statement (CAS):</b></p> <p>Pursuant to Regulation 36 of SEBI (Mutual Funds) Regulations, 1996 and amendments thereto, read with SEBI circular No. Cir/ IMD/ DF/16/ 2011 dated September 8, 2011, the investor whose transaction** has been accepted by the AMC on or after October 1, 2011 shall receive the following:</p> <p>(i) On acceptance of the application for subscription, an allotment confirmation specifying the number of units allotted by way of email and/ or SMS within 5 Business Days from the date of receipt of transaction request to the e-mail address and/or mobile number registered by the investor.</p> <p>(ii) Thereafter, a Consolidated Account Statement (“CAS”) ^ for each calendar month to those Unit holder(s) in whose folio(s) transaction (s)** has/have taken place during the month. shall be sent by ordinary post / or e-mail (in case e-mail address is provided by the investor) on or before 10th of the succeeding month. The CAS shall be sent to the mailing address/ email available in the folio where the customer has last transacted (including non financial transaction).</p> <p>^Consolidated Account Statement (CAS) shall contain details relating to all the transactions** carried out by the investor across all schemes of all mutual funds during the month and holding at the end of the month including transaction charges paid to the distributor.</p> <p>**The word ‘transaction’ shall include purchase, redemption, switch, dividend payout, dividend reinvestment, systematic investment plan, systematic withdrawal plan, systematic transfer plan and bonus transactions.</p> <p>(iii) For the purpose of sending CAS, common investors across mutual funds shall be identified by their Permanent Account Number (PAN). The CAS shall not be sent to the Unit holders for the folio(s) not updated with PAN details. For folios without a valid PAN, the AMC may send account statements on a monthly basis. The Unit holders are therefore requested to ensure that the folio(s) are updated with their PAN.</p> <p>(iv) In case of a specific request received from the Unit holders, the AMC will dispatch the account statement to the investors within 5 Business Days from the receipt of such request.</p> <p>(v) In the event the account has more than one registered holder, the first named Unit holder shall receive the CAS/ account statement.</p> <p>(vi) Consolidation shall be done only for folios in which the unit holders and the order of holding in terms of first, second and third is similar. In case of folios pertaining to minors, the guardian’s PAN shall be used for consolidation.</p> <p>Further, the CAS detailing holding across all schemes of all mutual funds at the end of every six months (i.e. September/ March), shall be sent by ordinary post / e-mail (in case e-mail address is provided by the investor), on or before 10th day of succeeding month, unless a specific request is made to receive in physical, to all such Unit holders in whose folios no transaction has taken place during that period.</p> <p>The statement of holding of the beneficiary account holder for units held in demat will be sent by the respective Depository Participants (“DPs”) periodically.</p>

Investors are requested to note the following regarding dispatch of account statements:

1. The Consolidated Account Statement (CAS) for each calendar month is to be issued on or before tenth day of succeeding month, to the investors who have provided valid Permanent Account Number (PAN). Due to this regulatory change, AMC shall now cease to send physical account statement to the investors after every financial transaction including systematic transactions. Further, CAS will be sent via email where any of the folios consolidated has an email id or to the email id of the first unit holder as per KYC records.
2. For folios not included in the Consolidated Account Statement (CAS), the AMC shall henceforth issue account statement to the investors on a monthly basis, pursuant to any financial transaction in such folios, on or before tenth day of succeeding month.

Pursuant to SEBI Circular No. CIR/MRD/DP/31/2014 dated November 12, 2014 regarding Consolidated Account Statements (CAS) for all the securities assets, the following provisions shall be applicable. Investors are requested to note the changes regarding dispatch of Account Statements to the investors for the transactions done by them in any of the schemes of the Fund, on or after February 01, 2015.

**1. Investors not holding units in Demat Account:**

Based on the PAN of the investors, for each calendar month, Consolidated Account Statement (CAS) shall be dispatched by the Asset Management Companies (AMC)/Registrar & Transfer Agent (RTA) within 10th day of the succeeding month to the investors in whose folio transactions have taken place during that previous month.

In case of no transactions by the investors during the period of six months, the CAS shall be dispatched by the AMC/RTA to the investors on half yearly basis, on or before 10th day of the succeeding month.

**2. Investors holding units in Demat Account:**

Based on the PAN of the investors, for each calendar month, Consolidated Account Statement (CAS) shall be dispatched by the respective Depository within 10th day of the succeeding month to the investors, in whose folio transactions have taken place during that previous month.

In case of no transactions by the investors during the period of six months, the CAS shall be dispatched by the respective Depository to the investors on half yearly basis, on or before 10th day of the succeeding month.

In case of demat accounts with nil balance and no transactions in securities and in mutual fund folios, the respective Depository shall send the physical statement as per the applicable regulations.

In case of statements which are currently being dispatched by email to the investors, the CAS shall continue to be sent through email. In case the investor does not wish to receive the CAS by email, option will be given to the investors to receive the same in physical form, at the address registered in the Depository system. In case no email id is provided, the statements will be sent in physical form.

Investors are requested to note that in case of any transactions done in the folios which are not included in the CAS, the AMC shall issue a monthly account statement to the investors on or before 10th day of the succeeding month. In case no email id is provided, the statements will be sent in physical form.

	<p>Investors whose folio(s)/demat account(s) are not updated with PAN, shall not receive the CAS. Hence, investors are hereby requested to update their folio(s)/ demat account(s) with the PAN.</p> <p><b>Half Yearly/ Annual Account Statement:</b></p> <ul style="list-style-type: none"> <li>The Mutual Funds shall provide the Account Statement to the Unitholders who have not transacted during the last six months prior to the date of generation of account statements. A link of the scheme annual report or abridged summary shall be displayed prominently on the website of the JM Financial Mutual Fund.</p> <p><b>Exchange Platforms:</b></p> <p>An account statement/Consolidated Account Statement (CAS) will be issued by the Mutual Fund to investors who purchase/ redeem their units under this facility in physical mode. In case of investors who intend to deal in units in depository mode, a demat statement will be sent by Depository Participant showing the credit/debit of units to their account.</p>
Dividend	The dividend warrants shall be dispatched to the unitholders within 30 days of the date of declaration of the dividend.
Redemption	The redemption or repurchase proceeds shall be dispatched to the unitholders within 10 business days from the date of redemption or repurchase.
Delay in payment of redemption / repurchase / dividend proceeds	The Asset Management Company shall be liable to pay interest to the unitholders at such rate as may be specified by SEBI for the period of such delay (presently @ 15% per annum).

**Redemption/Switch Procedure in case of physical form:**

The investors holding units in physical form may submit their redemption/ switch requests duly signed by all the holders (as per the mode of holding) at any of the Investor Service Centers (ISC) of Registrar & Transfer Agent viz., M/s Karvy Computershare Pvt. Ltd. or JM Financial Asset Management Ltd. latest by 3.00 p.m. on any business day. Such cases will be eligible for NAV of the business day on which the redemption requests are time-stamped upto the cut-off time at the ISC for all schemes other than liquid schemes.

**Option to hold Units in dematerialized (demat) form**

Pursuant to SEBI Circular no. CIR/IMD/DF/9/2011 dated May 19, 2011, an option to subscribe to the units of open ended, close ended, Interval schemes in dematerialized (demat) form shall be provided to the investors effective October 1, 2011.

Consequently, the Unit holders under the Scheme(s)/ Plan(s) shall have an option to subscribe/ hold the Units in demat form in accordance with the provisions laid under the respective Scheme(s)/Plan(s) and in terms of the guidelines/ procedural requirements as laid by the Depositories (NSDL/ CDSL) from time to time.

In case, the Unit holder desires to hold the Units in a Dematerialized /Rematerialized form at a later date, the request for conversion of units held in physical form into Demat (electronic) form or vice-versa should be submitted along with a Demat/ Remat Request Form to their DPs.

**Provisions with respect to transaction in units held in Demat mode:**

- (i) Units held in demat form will be transferable subject to the provisions laid under the respective Scheme(s)/Plan(s) and in accordance with provisions of Depositories Act, 1996 and the Securities and Exchange Board of India (Depositories and Participants) Regulations, 1996 as may be amended from time to time.
- (ii) An existing investor who wants to redeem units held in his demat account under any open-ended schemes has to approach his depository participant (DP) directly.
- (iii) Switch transactions from one scheme/plan to another scheme/ plan is not permitted for investors holding the units in Demat. Investors desirous of switching their units need to follow the procedure of rematerialisation of their demat holdings and after that they may apply for switch through physical mode.
- (iv) It is also clarified that provision of minimum investment/ balance/ redemption amount shall not be applicable for transactions done in demat mode, post initial allotment of units in demat mode. However subscription done in demat mode, directly through the Mutual Fund, shall be subject to minimum investment criteria.

For issue of units of the scheme in demat form, applicants under the scheme will be required to have a beneficiary account with a DP of NSDL/ CDSL and will be required to indicate in the application the DP's name, DP ID number and its beneficiary account number with the DP.

Investors also have an option of holding the units in demat form for SIP. However, the units will be allotted, based on the applicable NAV as per the SID and will be credited to investors' demat account on weekly basis upon realization of funds. For example, units will be credited to investors' demat account every Monday, for realization status received from Monday to Friday in the previous week.

**Redemption Procedure:**

The investors who hold units in demat form and wish to redeem their units will have to take following steps:

1. Investors will have to approach their DP (Depository Participants) where Demat Account is being held.
2. Investors will have to submit duly filled-in and signed Redemption/Repurchase Request Form (RRF) available with respective DPs. Normally, these RRF may be available on the websites of respective DPs e.g. Banks etc. As the format of RRF may be different with every DP, the investors are advised to use the RRF procured from their own DP to avoid rejections/delays. The ISIN of the scheme/plan/option is printed on the Statement of Account issued to investors.
3. The investors are required to submit 3 copies of RRF to their DPs. One copy of the RRF is used by the DP for issuing acknowledgement to investors whereas the second copy of the RRF will be forwarded by the DP to the Head Office of the respective RTA i.e. M/s Karvy Computershare Pvt Ltd. The third copy will be retained by the DP for their own records.
4. Based on the receipt of RRF, if found in order, the DP concerned generates Electronic Redemption Requests and blocks the units applied for redemption in the NSDL/CDSL system immediately. After this, the investor will not be able to transfer the blocked units to anyone (i.e. cannot transfer to anyone).
5. The Electronic Requests generated up to 3 pm every day by DPs shall get transmitted from NSDL / CDSL to respective Registrars of Mutual Fund by 4-6 pm.
6. All such Electronic Requests transmitted by NSDL / CDSL by 4-6 pm everyday are updated in the system at Registrar's end i.e. M/s Karvy Computershare Pvt Ltd for further processing.
7. Registrar shall verify and process the requests subject to finding the same in order by
  - a) Nullifying the units by confirming Electronic Repurchase Request,
  - b) Applying NAV based on Date and Time of raising Electronic request by DP's for Redemption Request,
  - c) Remitting Redemption proceeds to investor's bank account (as recorded in demat account) within 10 business days and
  - d) Dispatching an SOA (Statement of Account/Consolidated Account Statement) to the registered address of investor.
8. After the above process is completed, the Registrar will update the respective Depository (i.e. NSDL/ CDSL) about the processing of redemption to enable their DPs to issue Fortnightly/ Monthly Transaction Statement or NSDL for issuing S-CAS.

**Special Products / facilities available**

SYSTEMATIC PLANS ARE AVAILABLE TO THE INVESTORS THROUGH Systematic Investment Plan ("SIP")/ Systematic Transfer Plan ("STP") and Systematic Withdrawal Plan ("SWP")

The Terms and conditions of the Systematic Investment Plan ("SIP")/ Systematic Transfer Plan ("STP") and Systematic Withdrawal Plan ("SWP") being offered in terms of the Scheme Information Document.

All the terms and conditions (including the provisions of load structure & lock-in period) applicable on the date of registration i.e. date of initial investment will also be applicable for all future SIP/STP/SWP installments as well i.e. Registration concept except for special SIP where the

terms and conditions (including load & lock-in period) applicable on the date of first installment would be applicable for all future installments. These facilities are available on the following days/dates

Facility	Daily	Weekly	Fortnightly	Monthly	Quarterly
SIP	Not available (Please use option available in STP facility as under)	Not available	Not available	1st, 5th , 10th, 15th , 20th , & 25th	1st of month on quarterly basis
STP	Available through Chhota STP/Combo SIP	1st, 8th, 15th, & 22nd	1st & 15th		
SWP	Not Available	Not available	Not available		

An investor wishing to avail of the Systematic Investment Plan will have to mandatorily abide by the following conditions in order to be treated as a valid SIP investment.

#### Systematic Investment Plan (SIP) Minimum no. of installments & Frequency

Frequency	Amount Per Installment (Rs. in whole Numbers)	Minimum Mandatory Installments*
Monthly	Rs. 500 to Rs. 999 per month	12 or more out of which 10 installments must be effected
Monthly	Rs. 1000 or more per month	6 or more out of which 5 installments must be effected
Quarterly	Rs. 3000 or more per quarter	2 or more where atleast 1st 2 installments must be effected

\* The above conditions are to be fulfilled in addition to other conditions for each SIP cycle independently, failing which the respective SIP will be treated as invalid and will be subject to refund/auto redemption/revertal & reprocessing etc as per the discretion of the AMC. No two or more SIP cases will be clubbed to determine the fulfillment of Minimum Investment Criteria.

#### Perpetual SIP/STP/SWP

An investor who does not want to opt for any specific period, may opt for Perpetual SIP/STP/SWP i.e. without mentioning any fixed period for his SIP/STP/SWP. Perpetual SIP/STP/SWP can be cancelled/discontinued only on the written request of the investor or on account of automatic discontinuation/cancellation in terms of provisions of the facility e.g. failure of 5 continuous installments for a particular monthly SIP date as set out above or sufficient balance being unavailable in out-scheme in case of STP/SWP etc. Any rejection by the Local Clearing House/ RBI citing 'Account Closed' or 'non existent account' or other similar reasons, will lead to cancellation of the SIP for subsequent periods, after the first such rejection, at the discretion of the AMC. AMC at its Discretion may also treat the SIP as discontinued if the minimum number of SIP investments as per the minimum Investment criteria are not completed within the stipulated time-frame and may refund the amount after redeeming the outstanding units at current NAV.

#### Systematic Plans

##### SYSTEMATIC INVESTMENT PLAN (SIP)

Under this facility, by investing a fixed amount at regular interval, the Unitholders can take advantage of the benefits of Rupee Cost Averaging, at the same time investing a fixed amount regularly in a disciplined manner.

SIP facility is subject to changes from time to time.

SIP can be done through

1. NACH facility is available in all locations and has replaced the existing ECS system for which the AMC has made necessary arrangements.
2. Direct Debit facility with certain banks and for which the AMC has made arrangements.
3. Auto Debit through standing instructions for HDFC account holders.

The Investor has to submit a cheque/DD towards initial purchase /1st SIP for regular SIP.

To avail of the facility of Auto Debit (NACH or Direct Debit) for SIP from the second SIP installment onwards, the applicant is required to give standing instructions to his bankers in the prescribed form to debit his Bank accounts at periodic Intervals and credit the installment amount to the Bank Account of JM Financial Mutual Fund directly or through any of the service providers appointed by the AMC.

The Bank Account Holder/s has/have to sign the Authorization Request Form meant for Bank in case of Auto SIP in the same order as they maintain their bank account.

The Investor is advised to contact the nearest ISC for current list of Banks accepting Direct Debit mandates or Banks where NACH facility is available. The list of Banks for Auto Debit (through NACH/Direct Debit) may be modified/updated/changed/removed at any time in future, entirely at the discretion of JM Financial Mutual Fund without assigning any reason. Appropriate prior notice will be provided to the investors in case of any such deletion in the list of Banks. In case of removal of any Bank from the current list, the Auto SIP instructions for investors in Banks will stand automatically discontinued. The AMC, its Registrars and other service providers will not be responsible, if the transaction is delayed or not effected or the investor's bank account is debited in advance or on the specific SIP date due to various cycles of NACH/Clearing due to any reason.

**Terms and conditions of the Systematic Investment Plan ("SIP")/ Systematic Transfer Plan ("STP") and Systematic Withdrawal Plan ("SWP") being offered in terms of the Scheme Information Documents**

The existing and prospective Investor is advised to refer to the Key Information Memorandum carefully of the scheme before applying for the enrollment under the Systematic Plan.

The Clause on "Minimum Amount of subscription" as specified in the Scheme Information Document of the respective scheme/plan will not be applicable for investments made through the first installment of Systematic Investment /Transfer Plan subject to the fulfillment of minimum investment criteria and minimum installment criteria, during the opted period through SIP/STP ( e.g. With atleast through 5 out of the first 6 installments and 10 out of the first 12 installments in case of monthly SIP and minimum of first two installments in case of quarterly SIP as the case may be) For example, the minimum investment amount for 1st investment in JM Multi Strategy Fund is Rs.5,000/-. However, in case of SIP, an investor can invest with minimum installment amount of Rs.1000/- or Rs.500/- per month so as to meet the Minimum Investment Amount over the opted period. i.e. 6/12 months respectively. The similar condition would apply to STP as well.

In case of a Regular SIP, the AMC will retain the initial investment made towards the 1st SIP installment as normal investment if the same meets the minimum investment criteria of the scheme concerned and will not refund even if it does not fulfill any of the criteria stipulated for a valid SIP. However, the investor may redeem/switch-out if he so wishes, by submitting redemption/switch-out requests as per normal procedure.

In case, any of SIP/STP/SWP due dates fall on a Non-Business day, the NAV of the next Business day will be applicable.

### **SYSTEMATIC INVESTMENT PLAN (SIP)**

SIP facility is available to investors in all the open ended / close ended schemes (after conversion into open ended scheme at the end of the specified period) of JM Financial Mutual Fund. This facility is subject to changes from time to time.

The existing and prospective Investor/s is/are advised to refer to the Scheme Information Document/s and Key Information Memorandum of the scheme carefully before applying for the enrollment under the Systematic Plan/s.

### **Default Option for all SIP/STP-Out/SWP**

In case, the Investor does not mention the start date or end date under the SIP/STP-out/SWP, the 1st of the subsequent month, after completing 30 days from the date of registration, will be considered as the default SIP/STP-out/SWP date and the SIP/STP-out/SWP will be treated to have been opted on Perpetual basis. However, the facility on Perpetual Basis will also be subject to the other applicable terms and conditions.

The features and other terms & conditions of the SIP are as under:

JM Financial Mutual Fund offers two types of Systematic Investment Plans i.e. Normal SIP and Micro SIP on Monthly and Quarterly basis on any of the six SIP dates during any month i.e. 1st, 5th, 10th, 15th, 20th or 25th.

**I. Normal SIP:** Under normal SIP, the investor is required to furnish copy of KYC Acknowledgement & PAN Card in addition to other documents as mentioned hereunder in subsequent points.

**II. Micro SIP:** Under Micro SIP, the investor is exempted to furnish the copy of PAN Card provided his total contribution through Micro SIP (including all schemes/dates etc) does not exceed Rs. 50,000/- during any financial year or on a rolling period of 12 months. However, the investor is required to submit an attested copy of any of 13 identification documents mentioned in the Key Information Memorandum. This facility is available to individual investors including Minors & NRIs and Sole Proprietorship firms. Other categories including PIOs, HUFs, non-individuals etc are not eligible. Micro SIP investors have to be KYC compliant (through SEBI appointed KRA) and should attach KYC form, proof of identity, address etc alongwith purchase application and cheque. Please refer to para on KYC process.

The minimum investment criteria will not be applicable in case any Micro SIP application is found to be invalid and the amount collected initially will remain in the folio. However, redemption will be permitted for the same based on the request by investor on the normal transaction slip.

Other terms and conditions of normal SIP remain unchanged and are applicable for Micro SIP investors as well.

Investment under SIP (i.e. Normal SIP or Micro SIP) can be done through Regular SIP or Special SIP

#### **1. Regular SIP**

In case of Regular SIP, the investor will have to attach a cheque/ Demand Draft towards initial investment i.e. first installment. An investor can opt for Regular SIP and choose Auto debit (NACH/Direct Debit/Standing Instructions) as the mode of payments for subsequent installments.

#### **2. Special SIP Facility**

As an Investor-friendly measure and in order to simplify the procedure, an investor may subscribe to SIP without even submitting the cheque/demand draft towards initial investment i.e. first installment as is required under Regular SIP. The first installment will also be debited through Auto Debit (through NACH/Direct Debit/ Standing Instructions) process. While all other terms and conditions of Regular SIP will be applicable for Special SIP as well except for the following changes:

- i. No Cheque is required for initial investment i.e. first installment. Hence, it will work like Zero balance account of any Bank.
- ii. The allotment of units for first SIP installment will be made on the next opted SIP due date out of the 6 SIP Dates (1st, 5th, 10th, 15th, 20th, 25th of every month) opted by the investor, which would atleast be 30 days after the submission of valid application form and other required documents, i.e. when his account will be debited for the first time.
- iii. The investment through Special SIP will be subject to the terms and conditions (including loads etc) as are applicable to the Regular SIP on the 1st SIP due (debit) date when his account will be debited for the first time and not as applicable on the date of submission of valid SIP application with other required documents.

**Modes of payment for SIP:****a. Auto Debit Facility:**

To avail of the facility of Auto Debit (through NACH or Direct Debit or Standing Instructions) for Regular SIP from the second SIP installment onwards and from 1st installment for Special SIP, the applicant is required to give standing instructions addressed to his bankers in the prescribed form to debit his bank accounts on the opted due dates of SIP chosen by him and credit the installment amount to the Bank Account of JM Financial Mutual Fund directly or through any of the service providers appointed by the AMC. The contribution through Auto Debit Facility (through any of the following modes) will start from 1st/1nd installment onwards in case of Special & Regular SIP respectively as approx. 30 days' time is required for registration of Auto Debit Mandates with Investors' Banks across India. For HDFC Bank Account Holders, there is a separate Standing Instructions Form, which needs to be submitted instead of normal Auto Debit Form.

- i. Auto Debit (Through NACH Debit) Facility: It is available in RBI's all NACH locations (current and future) and covers all banks participating in the respective NACH clearing locations.
- ii. Auto Debit (Through Direct Debit) Facility: It is available with certain selected banks with which the AMC has made arrangements. At present, AMC has a tie-up with 3 Banks i.e. ICICI Bank, IDBI Bank, and Axis Bank.

The Investors may contact the nearest ISC for current list of Banks accepting Direct Debit mandates or for the list of cities where NACH facility is available. The list of banks for Auto Debit (through NACH/Direct Debit) may be modified/updated/changed/ removed at any time in future, entirely at the discretion of JM Financial Asset Management Ltd without assigning any reason. Appropriate prior notice will be provided to the investors in case of any such deletion in the list of bank. In case of removal of any bank from the current list, the Auto SIP instructions for investors in such Banks will stand automatically discontinued. JM Financial Asset Management Ltd., its Registrars and other service providers will not be responsible, if the transaction is delayed or not effected or the investor's bank account is debited in advance or after the specific SIP date due to various cycles of NACH/Clearing because of any reason.

- iii. Auto Debit (Through Standing Instructions) Facility For HDFC Bank Account Holders:

This facility is available for those investors who maintain their Bank Account with any branch of HDFC Bank in India. Such investors are required to fill up a separate Standing Instructions Form meant for HDFC Bank Account holders only.

**Daily (Chhotta) STP**

In order to enable the investors to avail of the benefit of the daily volatility in the stock markets, a Daily STP (Chhotta STP) facility is available to investors. An investor may opt for Daily STP of Rs. 100/- or in multiples of any amount in full rupee terms, on every Business Day against his other live investment made in lump sum or through getting inflows through SIP.

**Other terms and conditions with respect to SIP transactions:**

Investors may choose any one of the following six SIP dates: 1st, 5th, 10th, 15th, 20th or 25th of the month in case of monthly SIP and 1st of the month in case of Quarterly SIP, subject to other Terms & Conditions.

Investor is required to make separate application for different opted dates/schemes/plan except in case of choosing All the six SIP due dates in one go or in case of Combo SIP for a particular plan.

1. The list of banks for Auto Debit (through NACH/Direct Debit/Standing Instruction) as mentioned above may be modified/updated/ changed/removed at any time in future, entirely at the discretion of JM Financial Mutual Fund without assigning any reason. Appropriate prior notice will be provided to the investors in case of any such deletion in the list of cities/ banks. In case of removal of any city/bank from the current list, the Auto SIP instructions for investors in such locations/ banks will stand automatically discontinued. The AMC, its Registrars and other service providers will not be responsible, if the transaction is delayed or not effected or the investor's bank account is debited in advance or after the specific SIP date due to various cycles of NACH/Clearing, due to any reason.
2. A separate set of complete application form (including separate KYC/PAN/Cheque etc) with required documents is required to be submitted for each SIP date (except for Combo SIP)/Scheme/Plan/Option/Sub-Option. While the choice of multiple dates through single Form is not permitted, the investor is free to choose all the six SIP dates through single form. Any single application if received with multiple choices will be summarily rejected and the amount of initial investment refunded without any interest, if the amount of the same is less than the minimum investment limit fixed for allotment of units in a particular Scheme/Plan/Option/sub-option. In case, the amount invested is equivalent or more than the amount required for meeting the minimum investment criteria, through 1st installment, the same would be construed as a normal investment for allotment of units in the scheme and shall be redeemed only on the basis of the redemption request made by the investor.
3. A Minimum of 30 days' time is required for the next installment of SIP through cheques/Auto Debit (NACH/Direct Debit/ Standing Instructions) to take place after the initial application for each set of separate SIP date (if opted for multiple dates other than All SIP dates through single form).
4. Under Regular SIP, the first investment has to be made through physical cheque/DD payable locally at the place of submission of the application. The cheque/DD has to be of any valid date and not a post dated one on the date of submission. Similarly, in case of SIP through Auto Debit (Direct Debit/NACH/Standing Instructions), the investor should choose any of the above mentioned six SIP dates. Likewise, the frequency of SIP (i.e. Monthly/Quarterly) needs to be specified clearly, failing which Monthly frequency will be taken as the default frequency.
5. The second SIP installment of the same opted SIP due date should not fall in the same calendar month.

6. In case, any particular SIP due date falls on a non-business day or falls during a book closure period, the immediate next business day will be considered for the purpose of NAV application accordingly, irrespective of the date of debit into investor's bank account.
7. For SIP installments in other than Liquid fund, the application shall be considered to have been received on the opted due date before the cut off time of the respective scheme for the purpose of application of NAV subject to other SEBI guidelines e.g. allotment of units for Rs 2 lacs and above based on realization and sighting of funds in the scheme's account.
8. The Investment cum SIP Enrolment Form complete in all respects may be submitted at any of the ISCs of JM Financial Mutual Fund or Karvy Computershare Pvt. Ltd. In case of SIP through Auto Debit (i.e. through Direct Debit in selected banks or through NACH in selected cities or through Standing Instructions for the HDFC Bank account holders), an additional form known as the SIP Auto Debit Registration cum Mandate Form (through NACH/Direct Debit/Standing Instruction) is also required to be submitted at the time of opting for SIP.
9. To subscribe to investment through SIP, an Investor has to submit the following documents:
  - Scheme Application cum SIP Registration Form
  - Auto Debit (through NACH/Direct Debit) Registration cum Mandate Form OR
  - Auto Debit (through Standing Instructions) Mandate by HDFC Bank Account Holders
  - Copy of KYC acknowledgement irrespective of amount of investment/SIP Installment
  - Copy of PAN (exempted for micro SIP investors)
  - A photo copy of the cheque/cancelled cheque from the same account where future installments are to be debited if opted for SIP through Auto Debit (through NACH under Regular & Special SIP) for MICR/IFSC code verification.
  - Locally Payable Cheque/DD for Initial Investment cum 1st SIP Installment Amount (NOT REQUIRED FOR SPECIAL SIP CASES) subject to the minimum amount/number of installment as per above mentioned table for Regular SIP.

The investor should write the SIP Form/Folio number / the first applicant's name on the reverse of the cheque/s accompanying the SIP Form. No need to submit any payment instrument towards initial investment/first installment in case of Special SIP

#### **CONVERSION OF REGULAR SIP TO SPECIAL SIP**

The AMC at its discretion can treat the investment made under Regular SIP as having been made under Special SIP if the 1st payment instrument bounces back as unpaid whereas payment for 2nd installment is received in the meantime. However, in such event, all the provisions of Special SIP will be applicable including load structure as applicable on the date of 1st installment through Special SIP (i.e. 2nd installment through Regular SIP). Accordingly the AMC/its Registrar will re-register the period of subscription through Special SIP by postponement suitably.

#### **MICRO SYSTEMATIC INVESTMENT PLANS (MICRO SIPS)**

- According to SEBI's letter dated June 19, 2009 to AMFI, investment in Micro Systematic Investment Plans (Micro SIPS) up to Rs.50,000/- per year per investor shall be exempted from the requirement of PAN subject to other operational guidelines.
- Any investment through Systematic Investment Plans (SIPs) by investors where aggregate of installments in a rolling 12 months period or in a financial year i.e April to March, which does not exceed Rs 50,000/- will be treated as Micro SIP for above purpose. Micro SIP will be subject to common KYC process through KRA (e.g. M/s CVL etc). This exemption will be applicable ONLY to investments by individuals (including NRIs but not PIOs), Minors and Sole proprietary firms. HUFs and other categories will not be eligible for Micro SIPS. The exemption is applicable to joint holders also.
- In case of first Micro SIP Installment is processed (as the cheque may be banked), and the application is found to be defective, the Micro SIP registration will cease for future installments. No refund to be made for the units already allotted. Investor will be sent a communication to this effect. However redemptions will be allowed based on the submission of normal prescribed Redemption Transaction Slip.
- The Minimum Investment criteria and the minimum remaining balance criteria will not be applicable for Micro SIP investors.
- RTA back-office will reject a Micro SIP application where it is found that the registration of the application will result in the aggregate of Micro SIP installments in a financial year exceeding Rs 50,000 or where there are deficiencies in supporting documents.
- Rejected application will be sent back to the investor with a deficiency memo.

#### **Valid SIP application**

An investor wishing to avail of the Systematic Investment Plan will have to mandatorily abide by the following conditions in order to be treated as a valid SIP

1. Initial Investment Amount may not be equal to subsequent SIP Installments (Excluding Special SIP), provided the Minimum Investment criteria of the scheme/plan are met through the Initial Investment itself. However, all subsequent SIP Installments must be of the same Amount. The load structure & lock-in conditions for the Initial Investment & subsequent SIP will be as per the rates/terms applicable on the date of Initial Investment i.e the Registration Date, in case of Regular SIP and 1st installment in case of Special SIP.
2. In the event of any of the installment amount being different, the AMC will treat all SIP installments as normal investments and these will be subject to normal load and other provision as applicable on the respective dates of investments. In order to treat such installments as normal investments, the AMC reserves the right to revert and reprocess all previous SIP installments besides discontinuation of SIP for future installments or alternatively the AMC may recover the exemptions/benefits directly from investor or by redeeming the equivalent units from the respective folio. In addition, the AMC will also charge exit load as applicable on the normal investment based on the dates of respective SIP installments. In the event of non-fulfillment of minimum subscription criteria due to non-fulfillment of the other conditions

or discontinuation of the SIP on the request by the investor, the AMC reserves the right to redeem/refund with current valuation on the date of review by the AMC.

3. Investor is required to ensure that (5) five consecutive SIP installments should not fail due to the reasons attributable to him or his banker. However, in case of any rejection by local clearing house/RBI citing reasons like 'Account closed' or 'non-existent account' or any such other similar reasons, the SIP for future period will be treated as cancelled/discontinued after first such rejection itself, at the discretion of the AMC.
4. In the event of non-receipt of funds for the first investment/1st SIP installment itself due to dishonour of the cheque, the SIP will automatically be treated as discontinued ab-initio and amount for subsequent installment will be refunded, if it is not possible to convert the Regular SIP to Special SIP as per the provisions of the Special SIP.
5. In order to be treated as a valid SIP application, minimum investment amount criteria as per the Scheme Information Document of the respective scheme e.g Rs. 5,000/- should be received by the AMC as per details mentioned in the above table during the opted period.
6. The clause on "Minimum Investment Criteria" as specified in the Scheme Information Document of the respective scheme/plan/option/sub-options will not be applicable for investments made through the first/single installment of Systematic Investment/Transfer Plan. For example, the minimum investment amount for investment in JM Multi Strategy Fund is Rs.5,000/-. However, in case of investment through SIP/STP (Systematic Investment/Transfer Plan), an investor can invest with minimum installment amount of Rs.500/- on more per month or Rs. 3,000/- or more per quarter so as to meet the Minimum Investment Amount over the opted period.

In case of a Regular SIP, the AMC will retain the initial investment made towards the 1st SIP installment as normal investment if the same meets the minimum investment criteria of the scheme concerned and will not refund even if it does not fulfill any of the criteria stipulated for a valid SIP. However, the investor may redeem/switch-out if he so wishes, by submitting redemption/switch-out requests as per normal procedure.

In case, any of SIP/STP/SWP due dates fall on a Non-Business day, the NAV of the next Business day will be applicable.

7. The cheque/s should be drawn in favour of the scheme/plan chosen (e.g. "JM Multi Strategy Fund") and crossed "A/C Payee Only" and payable locally and drawn on any bank, which is situated at and is a member of the Bankers Clearing House located at the place where the SIP application is submitted. In case of outstation cheques, if accepted by the AMC, the AMC shall credit the unit holder's account with the number of units at the applicable sale price on the day when clear funds are received by the Mutual Fund.
8. Returned/Dis-honoured cheques/NACH/Direct Credit failures will not be presented again for realization for reasons attributable to the investor/s.
9. The investor/s agree/s to abide by the terms and conditions of NACH facility of Reserve Bank of India (RBI) in case of SIP through NACH.
10. Please refer to para on Transaction charges elsewhere in this document. Kindly refer SAI for details on third party payments.

#### **Termination of SIP**

In the event of not meeting any one or more of the above mentioned criteria, the SIP will stand terminated and the investor will be required to make a fresh SIP application if he is desirous of availing this facility in future also. The fresh application will be subject to the current terms and conditions of the respective scheme/plan/option.

#### **Discontinuation of Systematic Investment Plan ("SIP"):**

##### **i. For National Automated Clearing House (NACH) cases :**

For discontinuation of SIP through NACH debit, the cancellation/discontinuation request signed by the unitholder/s should reach the AMC/Registrar at least 15 Calendar days prior to the due date for next SIP installment, failing which the discontinuation request will be considered from the subsequent SIP installment onwards.

##### **ii. For Direct Debit cases / Standing Instruction of HDFC Bank cases :**

For discontinuation of SIP through Direct debit/Standing Instructions of HDFC Bank, the cancellation/discontinuation request signed by the unitholder/s should reach the AMC / Registrar at least 30 Calendar days prior to the due date of the next installment, failing which the same will be considered from the subsequent SIP installment onwards. In view of the time required by respective banks to complete the process of cancellation, the units towards such SIP installments will continue to be allotted for the subsequent two installments after the receipt of cancellation/ discontinuation request or until the respective banks confirm having noted the cancellation of debit instructions, whichever is earlier. Thereafter, the SIP will be automatically discontinued for allotment of units for future instalments. Any credit received thereafter from the Bank towards the subsequent installments will be kept in abeyance for refund to unit holders at the earliest, without any interest/ accruals/benefits or without allotting the units.

#### **Corporate SIP : Systematic Investment Plan for Corporate Employees**

Corporate employees may opt for the Systematic Investment Plan available to them. In this case, the concerned employer is required to forward to the AMC the Scheme application cum SIP registration mandate form of the corporate employee who desires to invest in the Scheme. The application amount for the corporate employees would also be forwarded by the employer on specific request from the concerned employee. The concerned employee has to authorize the employer to deduct the application amount from his salary and remit the same to the Fund at regular intervals to ensure receipt of funds by the AMC on or before the next due date. Other terms and condition of respective SIP and Schemes will be applicable.

### **Facility of re-registration under Systematic Investment Plan (“SIP”)**

In terms of SEBI circular No. SEBI/IMD/CIR no. 4/ 168230/09 dated June 30, 2009, no entry load is to be charged for investments into the schemes. Pursuant to the above, all existing SIP investors of JM Financial Mutual Fund (“the Fund”) may, if desired request for re-registering their existing SIP for the remaining installments, without any entry load, by making a request on a prescribed form containing the requisite undertaking. However, the other existing terms and conditions (including broker code, exit load applicability for respective installments etc. as prevailing at the time of original registration of the SIP, shall remain unchanged for the re-registered SIP.

#### **Renewal/Continuation of existing SIP :**

In case, the existing SIP investor is willing to continue/extend his/her/their existing SIP in the same plan of the same for further period of 6 or more months, he/she/they may do by:

1. Auto Debit (NACH/Direct Debit) : Submitting a fresh Auto Debit (NACH/Direct Debit ) Form before the expiry of last SIP due date to avoid break in SIP period and render it to be invalid (fresh Common Application Form is not required)
2. Standing Instructions : In case of HDFC Bank Account Holder submitting a fresh Standing Instructions Form with Common Application Form and cheque towards first instalment before the expiry of the last due date to avoid break in SIP period and render it to be invalid.

#### **Systematic Transfer Plan (“STP”) / Systematic Withdrawal Plan (“SWP”)**

**These facilities have been explained in detail below.**

STP provides for transfer of specified amount from one scheme/plan/option in which the original investment is made to any other scheme/plan/option of JM Financial Mutual Fund, at the end of specified periodic interval viz., either daily, weekly, fortnightly, monthly or quarterly.

#### **Combo SIP/Chhota STP**

Under Combo SIP investors may Daily Transfer Rs. 100/- or in multiples of any amount in full rupee terms to an Opted Scheme, per Business Day, as under.

- a. Out of Normal Investment: An investor against his existing or fresh lump sum investment may opt for this facility through daily STP where a transfer of Rs. 100/- or any amount thereafter (in full rupee terms) on every Business Day will be effected by the AMC/its Registrar automatically during the opted period or till the out-scheme/ plan/option is able to transfer funds , whichever is earlier made any of the Open-ended Schemes/ Plans/ Options
- b. Out of SIP Investment : An investor may choose to avail of this facility against his existing/fresh SIP Account in any of the open-ended schemes/plan/option where transfer of Rs. 100/- or in multiples of any amount (in full rupee terms) through daily STP would be effected per Business Day. Through this mechanism of regular inflow & outflow, the investor may invest higher amount through SIP on any of the six SIP dates and avail the benefit of daily volatility of market through daily STP with smaller amounts for better risk-adjusted return.

The Investor is required to meet the minimum Investment amount of the Plan within 90 days of the 1st Chhotta STP/ 1st Combo SIP due date.

In case of non – fulfillment of Minimum Investment Criteria of the Scheme/Plan under Daily STP & Combo SIP facility within 90 days of the 1st Chhotta STP/1st Combo SIP date, the AMC may, at its discretion redeem the allotted units at current NAV and remit the proceeds any time after the completion of specified period of 90 days, if not already redeemed by the investor. In an out-going scheme folio, the Investor can also make investment through SIP or through Additional investment to meet the minimum Investment criteria of the Scheme/Plan concerned in order to avoid automatic redemption by the AMC.

Investors may choose any one of the six dates i.e.: 1st, 5th, 10th, 15th, 20th or 25th of the month for their STP and SWP transactions. In case of Chhota STP, the choice of daily option is automatic.

Under SWP, the Unit holders shall have an option to predetermine the withdrawal from the scheme. SWP facility is available on 1st, 5th, 10th, 15th, 20th and 25th of the month under monthly and 1st Business Day of the next month for quarterly SWP, subject to the minimum gap of 15 calendar days to start SWP. Subsequent quarterly SWP will fall due after completion of 3 months from the start date.

#### **Under the SWP facility, investors may choose between**

- (a) Fixed Amount Withdrawal and
- (b) Capital Appreciation Withdrawal

#### **Fixed Amount Withdrawal (FAW):**

Under this option the investor will have the facility to automate withdrawal of a fixed amount from the scheme at Monthly / Quarterly intervals on the opted due date.

#### **Capital Appreciation Withdrawal (CAW):**

Under Capital Appreciation Withdrawal facility, the investors will have the option to indicate automatic withdrawal of capital appreciation at varying time intervals over previous period, on monthly or quarterly basis.

Example: Mr. X has invested Rs. 10,000 in the Scheme and instructs the AMC for CAW withdrawal on monthly basis. If his investment turns to be Rs. 10,100 at the end of first month the appreciated Rs. 100 would be automatically withdrawn from the Scheme. In order to start the STP/SWP, the investor must have a minimum investment of Rs. 5,000/- or above or as per the minimum investment subscription amount (whichever is higher) applicable for the respective scheme/plan/option on the 1st opted STP/SWP date. However, the investor is not required to maintain the same balance after processing the 1st STP/SWP installment. The last installment may be equivalent to or less than the opted installment amount.

**Systematic Transfer Plan (STP) - The minimum amount for transfer and available dates for STP are as under :**

Frequency	Amount per installment\$	Starting date during any month	Minimum mandatory installments (equal amount)	Minimum period required to start 1st STP/ extend the STP after receiving the request	Revertal and Reprocess with load or recovery of load if following conditions are not met@
Daily @@ (Chhotta STP / Combo SIP)	Rs. 100	Any day subject to the time required to complete the registration process	60	Minimum 15 Calendar days	If 50 installments within 90 days of start of 1st STP could not be effected
Weekly	Rs. 1000/-	1st , 8th, 15th, 22nd (after 22nd the next date will automatically be the 1st of next month)	6	Minimum 15 calendar days	If five instalments out of the first six instalments could not be effected. *
Fortnightly	Rs. 1000/-	1st and 15th	6	As above	As above
Monthly	Rs. 1000/-	1st, 5th, 10th, 15th, 20th and 25th	6	As above	As above
Quarterly	Rs. 3000/-	1st Business Day of the next month subject to the minimum gap of 15 calender days from the date of receipt of STP request and subsequently after every quarter from the start month.	2	As above	If first two installments are not effected *

\$ Further, in multiples of Re 1/- after the above minimum limit fixed for each STP installment as per the frequency opted or as per the features of the scheme @ In case 5 out of the first 6 installments in monthly / weekly / fortnightly and first two in case of quarterly option are effected, the STP's will be treated as valid and there will be no revertal and reprocess with recovery of load.

@@ Not permitted under JM Tax Gain Fund being subject to ELSS guidelines.

\* Or In the event of failure of two consecutive STP installments, the STP request will stand terminated and the investor will have to make a fresh application for availing of this facility subject to the current term & conditions applicable for fresh STP cases. This condition will, however, not be applicable in case of CAW where the condition of minimum STP installments could not be met due to the capital appreciation amount being less than Rs. 100 in case of monthly option and Rs. 300 in case of quarterly option.

An investor will have to opt for minimum 6 installments or in multiples of 6 installments i.e 6,12,18,24,30 installments respectively for his STP requests in case of weekly/ fortnightly/monthly plan and for minimum of 2 installments or in multiples of 2 installments in case he opts for the quarterly plan

It is clarified that these 6 installments pertain to a given application for a specified opted date, for a specific option/ sub-option Separate application is required for each option/sub-option for respective due date(s).

In case, it is not possible for the AMC/Registrar to start the STP/SWP from the opted start date due to the insufficiency of time given by the investor , the AMC/Registrar will automatically process the first STP/SWP on the opted date from the next cycle/month after the opted starting cycle/month e.g. In case investor applies for STP/SWP on 18th Jan 2012 for effecting 1st STP/SWP from 1st February, 2012, AMC/Registrar may process the same from 1st of March, 2012 in case of monthly option. In such a case, the ending period will be extended automatically by another month.

**Minimum amount for withdrawal under SWP is fixed as under :**

- Fixed Amount Withdrawal (FAW) : Rs.1 ,000/- per month or Rs.3,000/- per quarter and further in multiples of Re.1 /- thereafter.
- Capital Appreciation Withdrawal(CAW) Entire Capital Appreciation over the previous due date to current due date subject to a minimum of Rs. 100 under monthly option and Rs. 300/- under quarterly option

In case, the opted STP/SWP day falls on a non-business day, the next business day shall be deemed to be the transaction day for that month or quarter as the case may be.

Each installment under STP/SWP cannot exceed the live investment amount on the registration date of STP/SWP divided by the number of installment chosen subject to the fulfillment of minimum STP/SWP criteria for respective frequency. In case of multiple STP/SWP dates, the total number of installments for all opted dates will be taken into account while fixing up the maximum installment amount.

**Discontinuation/Termination of STP/SWP**

For discontinuation of STP/ SWP, the unitholder is required to intimate the AMC/ Registrar at least 15 Calendar Days prior to the next installment for the respective due date. On such request, STP/ SWP will be terminated and the transfer/ withdrawal instructions given by the investor will be treated as cancelled.

Further, in case of non-fulfilment of any other terms and conditions, the STP/SWP will be treated as cancelled/discontinued/terminated as per

the discretion of the AMC.

An investor cannot simultaneously participate in an SIP and SWP in the same scheme. This facility is not available for investments under lock-in or encumbrances. All withdrawals under SWP including FAW & CAW options shall be considered as redemption with no further specific request or documentation requiring to be submitted by the unit holders. On the respective date of processing the SWP request, a revised account statement showing the amount withdrawn under SWP together with balance units (post accounting the SWP) in their account shall be mailed to the unit holders.

All operational instructions of SWP including FAW & CAW options shall be in Rupees and not in Units.

In case, the outstanding balance falls below the prescribed minimum balance (based on applicable NAV) due to redemptions or SWP, the AMC reserves the right to discontinue the SWP facility and / or close an investor's account if the investor fails to invest sufficient funds to bring the value of the account to the prescribed minimum (based on applicable NAV) after a written intimation in this regard is sent to the Unit holder.

In case of SIP/ STP transactions, the minimum number of mandatory installments pertain to a given application for a specified opted date/ specific option/ specific sub-option. Separate application is required for each option/ sub-option for respective due date(s).

In the event of not meeting any one or more of the above mentioned criteria, the SIP will stand terminated and the investor will be required to make a fresh SIP application if he is desirous of availing this facility in future also. The fresh application will be subject to the current terms and conditions of the respective scheme/plan/option on the date of fresh registration.

#### **Investments through systematic routes in case of Direct Plan:**

- (a) In case of Systematic Investment Plan ("SIP") / Systematic Transfer Plan ("STP") etc. registered prior to the Effective Date without any distributor code under the Normal Plan, installments falling on or after the Effective Date will automatically be processed under the Direct Plan only.
- (b) Investors who had registered for SIP facility prior to the Effective Date with distributor code shall continue under the Normal Plan. However if the investor wishes that their future installments be invested into the Direct Plan, he shall make a written request to the Mutual Fund in this behalf. The Mutual Fund will take at least 15 Business days to process such requests. Intervening installments will continue in the Normal Plan.  
In case of (a) and (b) above, the terms and conditions of the existing registered enrolment such as tenure , amount of the SIP etc. shall continue to apply.
- (c) In case of Systematic Transfer Facilities which were registered with a Distributor Code under the Normal Plan prior to the Effective Date, the future installments under the said Facilities shall continue as under the Normal Plan

In case such investors wish to invest under the Direct Plan through these facilities, they would have to cancel their existing enrolments and register afresh for such facilities.

All applicants are deemed to have accepted the terms and conditions upon submitting the valid application form with other requisites for investment under Systematic Plans.

The AMC reserves the right to change the terms of this facility from time to time.

#### **Default Option for all SIP/STP-out/SWP**

In case, the Investor fails to mention the start date or end date under the SIP/STP-out/SWP, the first of the subsequent month , after completing 30 days from the date of registration, will be considered as the default SIP/STP-out/SWP date and the same would be treated to have been opted on perpetual basis.

**Switching Options** Unitholders under the Scheme have the option to switch part or all of their unit holdings in the Scheme to another Scheme established by the Fund, or within the Scheme from one Plan to another, which is available for investment at that time. This option will be useful to Unitholders who wish to alter the allocation of their investment among the Scheme/Plan(s)/Options of the Fund in order to meet their changed investment needs.

The switch will be effected by way of a redemption of Units from the Scheme/Plan/Option and a reinvestment of the redemption proceeds in the opted Scheme/Plan/Option of the other Scheme and accordingly, to be effective, the switch must comply with the redemption rules of the Scheme and the issue rules of the other scheme (for e.g. as to the minimum number of Units that may be redeemed or issued, applicable load, etc). The price at which the Units will be switched out of the Scheme/Plan/Option will be based on the Repurchase Price, and the proceeds will be invested in the opted Plan/ Option of the target Scheme at the prevailing terms and sale price for units in that scheme/plan/option. The switch - out from one scheme to another scheme (i.e. requiring change in portfolio) will be effective only after the switch - out scheme has received the funds in the in-scheme. Accordingly, the applicability of NAV will be dependant on the SEBI guidelines

Investors will not have to bear exit load for inter and intra equity switches except in case of (i) switches by SIP/STP investors within 24 months (for cases registered from 4.1.2008 up to 2.10.2008) and with in 12 months (for cases registered upto 3.1.2008) of respective SIP/STP installments (ii) switches by STP investors (for cases registered w.e.f 3.10.2008) within 24 months of respective STP installments (iii) switches by SIP investors (for cases registered w.e.f 3.10.2008) within 12 months of respective SIP installments (iv) switches to/from JM Arbitrage Advantage Fund / to any equity schemes.

Subject to necessary approvals (if any) from the Regulatory authorities and any other approval as applicable, tax deduction at source, if any, will be effected at the appropriate rate in case of a switching by NRIs/FIIs and the balance amount would be utilized to exchange units to the

other Scheme.

**In case of Direct Plan:**

- (a) Investors wishing to transfer their accumulated unit balance held under Normal Plan (through lumpsum / systematic investments made with or without Distributor code) to Direct Plan will have to switch /redeem their investments (subject to applicable Exit Load, if any) and apply under Direct Plan.
- (b) Investors who have invested without Distributor code and have opted for Dividend Reinvestment facility under Existing Plan may note that the dividend will continue to be reinvested in the Existing Plan only.

**Disclosure of Bank Mandate**

All cheques and bank drafts accompanying the application form should contain the application form number on its reverse.

As per the directive issued by SEBI vide their letter IIMARP/MF/CIR/07/826/98 dated April 15, 1998, and SEBI/IMD/CIR No. 6/4213/04 dated March 1, 2004 it is mandatory for applicants to mention their bank account numbers in their applications for purchase or redemption of Units. This is to prevent fraudulent encashment of dividend/redemption / refund cheques.

The verification procedures for registration of bank mandates will henceforth be applicable at the time of fresh subscription/new folio creation with the Mutual Fund i.e. in case the fresh subscription cheque does not belong to the bank mandate mentioned in the application form, the AMC shall seek the additional documents and follow the procedures set out in the above mentioned addendum, before registering the bank mandate in the new folio.

**Refusal to accept fresh purchases**

In case, it is observed that there are consecutive instances of cheque dishonour by the same unitholder/ investor due to the reasons attributable to such unitholder/ investor, the AMC reserves the right, not to accept fresh purchase application(s) from such unit holder/ investor in the future.

## **D. COMPUTATION OF NAV**

### **NET ASSET VALUE (NAV) AND VALUATION OF INVESTMENT**

Valuation of assets, computation of NAV, repurchase price and their frequency of disclosure will be in accordance with the provisions of SEBI (MF) Regulations 1996/ Guidelines/ Directives issued by SEBI from time to time.

The NAVs of the Units of the Plans will be computed by dividing the net assets of the Scheme by the number of Units outstanding on the valuation date. The Fund shall value its investments according to the valuation norms, as specified in Schedule VIII of the Regulations, or such norms as may be prescribed by SEBI from time to time.

Account balances of Units will be calculated upto three decimal places. NAV will be calculated upto 4 decimal places.

The provisions of applicability of NAV and allotment of units in case of Direct Plan will be as are currently applicable for the Normal Plan. Separate NAVs will be calculated and published for Direct Plan (the respective options) w.e.f. January 2, 2013.

## **IV. FEES AND EXPENSES**

This section outlines the expenses that will be charged to the schemes.

### **A. ANNUAL SCHEME RECURRING EXPENSES**

These are the fees and expenses for operating the scheme. These expenses include Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer Agents' fee, marketing and selling costs etc.

Kindly refer para on 'Aggregate fees and expenses charged to the schemes' under FUNDAMENTAL ATTRIBUTES.

### **B. LOAD STRUCTURE**

Load is an amount which is paid by the investor to subscribe to the units or to redeem the units from the scheme. This amount is used by the AMC to pay commissions to the distributor and to take care of other marketing and selling expenses. Load amounts are variable and are subject to change from time to time. For the current applicable structure, please refer to the website of the AMC ([www.JMFinancialmf.com](http://www.JMFinancialmf.com)) or may call at (toll free no.) or your distributor.

Please refer to details set out under the head "Load Structure" under Highlights/ Summary of the Schemes.

### **C. WAIVER OF LOAD FOR DIRECT APPLICATIONS**

NO ENTRY LOAD: SEBI has mandated following in its circular No. SEBI/IMD/CIR No. 4/ 168230/09 dated June 30, 2009:

a) There shall be no entry load for all mutual fund schemes.

b) The scheme application forms shall carry a suitable disclosure to the effect that the upfront commission to distributors will be paid by the investor directly to the distributor, based on his assessment of various factors including the service rendered by the distributor.

c) The distributors should disclose all the commissions (in the form of trail commission or any other mode) payable to them for the different competing schemes of various mutual funds from amongst which the scheme is being recommended to the investor.

## **V. RIGHTS OF UNITHOLDERS**

Please refer to SAI for details.

## **VI. PENALTIES, PENDING LITIGATION OR PROCEEDINGS, FINDINGS OF INSPECTIONS OR INVESTIGATIONS FOR WHICH ACTION MAY HAVE BEEN TAKEN OR IS IN THE PROCESS OF BEING TAKEN BY ANY REGULATORY AUTHORITY**

- 1) In case of Indian Sponsor(s), details of all monetary penalties imposed and/ or action taken during the last three years or pending with any financial regulatory body or governmental authority, against Sponsor(s) and/ or the AMC and/ or the Board of Trustees /Trustee Company; for irregularities or for violations in the financial services sector, or for defaults with respect to share holders or debenture holders and depositors, or for economic offences, or for violation of securities law. Details of settlement, if any, arrived at with the aforesaid authorities during the last three years shall also be disclosed.

The Sponsor of JM Financial Mutual Fund has contingent liability in respect of income tax demand disputed in appeal of Rs. 15.33 crore as on February 15, 2016 (last reported Rs. 12.72 crore).

The Income Tax Authorities had ongoing dispute with the Sponsor relating to them treating the long term capital gain on sale of equity shares on termination of joint venture with Morgan Stanley as taxable under the head "Business Income" and not under the head "Capital Gains". The reduction in the contingent liability is due to the Sponsor receiving a favourable ruling from the Commissioner of Income Tax (appeals) in respect of the said matter.

In respect of the office premises taken by the Sponsor on leave & license basis in the year 1994, the matter is pending with the Hon'ble City Civil Court for the recovery of the security deposit. The Sponsor is in occupation of the Premises. It is the contention of the Sponsor in the pending Suit in the Hon'ble High Court that the Sponsor is entitled to remain in occupation of the said office premises till the time the security deposit given by the Sponsor to the Licensor is refunded to the Sponsor.

- 2) Details of all enforcement actions taken by SEBI in the last three years and/ or pending with SEBI for the violation of SEBI Act, 1992 and Rules and Regulations framed there under including debarment and/ or suspension and/ or cancellation and/ or imposition of monetary penalty/adjudication/enquiry proceedings, if any, to which the Sponsor(s) and/ or the AMC and/ or the Board of Trustees /

Trustee Company and/ or any of the directors and/ or key personnel (especially the fund managers) of the AMC and Trustee Company were/ are a party. The details of the violation shall also be disclosed.

Nil

- 3) Any pending material civil or criminal litigation incidental to the business of the Mutual Fund to which the Sponsor(s) and/ or the AMC and/ or the Board of Trustees /Trustee Company and/ or any of the directors and/ or key personnel are a party should also be disclosed separately.

Nil

- 4) Any deficiency in the systems and operations of the Sponsor(s) and/ or the AMC and/ or the Board of Trustees/Trustee Company which SEBI has specifically advised to be disclosed in the SID, or which has been notified by any other regulatory agency, shall be disclosed.

N.A.

**Notwithstanding anything contained in this Scheme Information Document, the provisions of the SEBI (Mutual Funds) Regulations, 1996 and the guidelines there under shall be applicable.**
