Investment Objectives:
JM Emerging Leaders Fund (an open-ended equity oriented growth scheme), The primary investment objective of the scheme is to seek long term capital appreciation from investment in a portfolio of stocks across all market capitalization range. However, there can be no assurances that the investment objective will be achieved. JM Contra Fund (an open ended equity oriented fund), The investment objective of the Scheme is to provide capital appreciation by following contrarian style of investing that refers to buying into fundamentally sound stocks that have been overlooked by the market (for reasons of short term trend) and waiting for the market to give these stocks their real value in course of time. JM Core 11 Fund - Series 1 (a 3 year close ended equity oriented scheme), The investment objective of the scheme is to provide long-term growth by investing predominantly in a concentrated portfolio of equity / equity related instruments. JM Tax Gain Fund (an open ended equity linked savings scheme), The investment objective is to generate long-term capital growth from a diversified and actively managed portfolio of equity and equity related securities and to enable investors a deduction from total income, as permitted under the Income Tax Act, 1961 from time to time. JM MultiStrategy Fund (an open-ended equity oriented scheme), The investment objective of the Scheme is to provide capital appreciation by investing in equity and equity related securities using a combination of strategies.
