Investment Objective: JM Interval Fund (A debt oriented interval fund): The investment objective of the Scheme and the plans launched thereunder is to seek to generate predictable returns over a predetermined period by investing in a portfolio of fixed income securities normally maturing in line with the time profile of the respective Plans.

Risk Factors: Mutual fund investments are subject to market risks and there is no assurance or guarantee that the objectives of the Fund will be achieved. As with any investment in securities, the Net Asset Value (‘NAV’) of the Units issued under the scheme can go up or down depending on the factors and forces affecting the capital markets. Past performance of Sponsor / AMC / Schemes of JM Financial Mutual Fund does not indicate the future performance of the schemes of JM Financial Mutual Fund. The sponsor is not responsible or liable for any loss resulting from the operation of the fund beyond the initial contribution made by them of an amount of Rupees One Lac towards setting up of the Mutual Fund, which has been invested in JM Equity Fund. JM Interval Fund is only the name of the scheme and does not in any manner indicate either the quality of the scheme or its future prospects or returns. Investors in the Scheme are not being offered any guaranteed / indicative returns. The dividend, if declared would be on the face value of Rs.10/- per unit. Please read the Scheme Information Document & Statement of Additional Information carefully before investing.
