Investment Objective: JM Equity Fund (an open-ended growth scheme), To provide optimum capital growth and appreciation. JM Basic Fund (an open-ended sector scheme), The primary objective of the Scheme will be to provide capital appreciation to its Unitholders through judicious deployment of the corpus of the Scheme in sectors categorized under “basic industry” in the normal parlance and in context of the Indian economy, including but not limited to, energy, petrochemicals, oil & gas, power generation & distribution and electrical equipment suppliers, metals and building material. The fund would continue to remain open ended with a focus. JM Small & Mid-Cap Fund (an open ended equity oriented scheme) The investment objective of the Scheme is to provide capital appreciation by primarily investing in small cap and mid-cap stocks. Small cap stock is defined as any company which has a market capitalization less than 10% of the market capitalization of the last stock in S&P CNX NIFTY. The fund would continue to remain open ended with a focus. JM Large Cap Fund (an open-ended equity oriented scheme), The primary objective of the Scheme will be to provide long term capital growth at a controlled level of risk by predominantly investing in Mid Cap Companies.

JM Balanced Fund (an open-ended equity related scheme), To provide a combination of capital growth and income by investing predominantly in equity & equity related instruments in the Telecom Sectors in India. Accordingly the NAV of the Scheme is linked to the equity performance of such companies. However, there can be no assurance that the investment objectives of the scheme will be realised. The scheme does not guarantee / indicate any returns. JM Financial Services Sector Fund (an open-ended equity oriented sector scheme), The primary investment objective of the scheme is to provide steady current income as well as long term growth of Capital. JM Agri & Infra Fund (A Open-Ended Equity Oriented Scheme), To provide long term growth by investing predominantly in equity & equity related instruments of companies that focus on agriculture and infrastructure development of India. Accordingly the NAV of the Scheme is linked to the equity performance of such companies. However, there can be no assurance that the investment objectives of the scheme will be realised. The scheme does not guarantee / indicate any returns. JM Multi Strategy Fund (an open-ended equity oriented scheme), The investment objective of the Scheme is to provide capital appreciation by following contrarian style of investing that refers to buying into fundamentally sound companies that are out of favour with the market due to some reasons, in order to benefit from the structural changes brought about by the changing liberalization economic policies and investments by the Government in the housing, infrastructure and financial services sectors. JM Mid Cap Fund (an open-ended equity oriented scheme), The investment objective of the scheme will be to generate long term capital growth from a portfolio that is substantially constituted of equity & equity related securities of companies which could benefit from the structural changes brought about by the continuing liberalization in economic policies and investments by the Government in the housing, infrastructure and financial services sectors.
